

# SME Domain-name Reservation (SDR)

## Why is it important to have your own domain name?

Registering your domain name is as important as the business name. Having your own domain name breaks down the barriers of doing business just within your physical store, it brings your business onto the global marketplace.

## What is SME Domain-name Reservation?

By end 2007, new businesses will have the option to choose and reserve their preferred domain name as they register their entity with ACRA. In the past, businesses had to pay between S\$39 to S\$84 to the SGNIC-accredited registrars to register their domain names. Starting from end 2007, all SMEs without a domain name can enjoy promotional discounts of up to S\$30 on their *first* domain name registration.

Please refer to [www.ida.gov.sg](http://www.ida.gov.sg) for further details and updates. For enquiries, please email us at [info@ida.gov.sg](mailto:info@ida.gov.sg)

# 中小企业网络域名预留(SDR)

## 拥有本身的网络域名为何如此重要？

注册网络域名和注册公司名字一样重要。拥有本身的网络域名能让您突破店面的局限，将业务推向国际市场。

## 什么是中小企业网络域名预留？

在2007年底以前，新成立的公司向公司与商业注册局(ACRA)申请注册时，也可以同时选择和预留所要的网络域名。以往，公司向受新加坡网络资讯中心(SGNIC)认可的注册商注册域名时必须缴付新币39元到84元。从2007年底开始，没有网络域名的中小企业可在注册首个网络域名时，享有高达新币30元的折扣优惠。

欲查询更多详情与最新资讯，请浏览资讯通信发展管理局的网站：[www.ida.gov.sg](http://www.ida.gov.sg) 此外，您也可以将问题电邮至 [info@ida.gov.sg](mailto:info@ida.gov.sg)
