IDA calls for proposals for innovative cloud computing projects

PLAY VIDEO

Agenda

- > **Objective of Open Call**
- > **Eligibility of Applicants**
- > **Areas of Interest**
- > **Funding Support**
- > **Application Process**
- > **Timeline**
- > **Q&A**

Objectives

- > **To support innovative projects that will help achieve the following Strategic Objectives:**
 - **Enable infocomm infrastructure development for iN2015 vertical clusters (such as digital media, life sciences, manufacturing, financial services, retail & tourism, education, & government).**
 - **Support specific lighthouse projects which would illustrate & promote use of the infrastructure in iN2015 verticals.**
 - **Establish Singapore as a Shared Services Hub.**
 - **Enable local users, especially SMEs, to exploit SaaS for HR, finance, IT & other admin functions.**
 - **Support infocomm capability development.**

- > **To promote adoption of Cloud Computing in Singapore**

Eligibility

> **Eligible applicants are as listed below:**

- **Government Agencies & Organisations
(listed under www.gov.sg)**
- **Institutes of Higher Learning & Research Institutes**
- **Singapore-registered companies**

Specific Areas of Interest

- > **Government Agencies with projects that have bursty compute & storage requirements.**
 - > **Research, testing or staging projects that can make use of cloud computing**
 - > **Strategic projects supported by Government Agencies**
 - > **Projects from industry that are 'First of its kind' & trials that can showcase cloud adoption.**
 - > **Projects from start - ups that meet objectives of call.**
- * *not limited to these areas & will consider others, if they meet strategic objectives.***

Funding Support

- > **Supported in terms of**
 - **utilized compute & storage resources based on the approved duration & quantum of cloud services (compute core-hours & storage GB-months)**
- > **Funding will not be in form of cash**

Levels of Support

> The levels of support are as follow:

- Selected projects from "Government Agencies & Organisations" will be given 100% support
- Co-payment support will be given to other selected projects,
i.e., IDA provides 50% support; remaining 50% paid by successful applicant at prevailing compute & storage resources rates

Participating Cloud Service Providers

> **Alatum** (by SingTel & HP) 

> **nGrid** (by NewMedia Express, Fujitsu, 1-Net, Microsoft)

> **PTC Systems** 

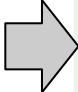

> **Amazon Web Services** 

> **Savvis** 

Proposal Application Process

- > All proposals must be via the application form which can be downloaded from the IDA website www.ida.gov.sg
- > Applications can be sent by email:
To: IDA_Grid@ida.gov.sg
Subject Title: “Open Call for Cloud Computing Project Proposals”
- > Submission Deadline is 1700 hours, 11 June 2010 (Friday)

Timeline

Date	Event & Milestones
4 May 2010	Launch of Open Call
 14 May	Public Briefing for Open Call
