

### **3<sup>rd</sup> Preparatory Working Group Meeting for World Radiocommunication Conference 2012**

In preparation for the World Radiocommunication Conference 2012 (WRC-12), IDA convened the 3<sup>rd</sup> Preparatory Working Group Meeting (PWGM) on 24 January 2011. The objective of the 3<sup>rd</sup> PWGM was to highlight key radiocommunication issues that were of interest to Singapore and seek views from the industry for IDA to develop Singapore's submission to WRC-12.

The WRC-12 which is to be held from 23 January 2012 - 17 February 2012, would cover over 30 agenda items and these would include spectrum issues under the following topics:

1. Maritime and Aeronautical Issues
2. Radiolocation and Amateur Issues
3. Fixed, Mobile and Broadcasting Issues
4. Science Issues
5. Satellite Issues
6. Future Work Program and other Issues

To register your interest for subsequent PWGM or for further clarifications, please contact the following:
