## **PART 1 – PRE-AUCTION**

### **SECTION 1 – 1800 MHz SPECTRUM RIGHT, 1800 MHz SPECTRUM LOT AND AVAILABLE SPECTRUM LOTS**

1.1 These Auction Rules set out the procedures by which IDA may grant an 1800 MHz Spectrum Right in respect of one 1800 MHz Spectrum Lot. The 1800 MHz Spectrum Lot shall be one of the three Available Spectrum Lots listed in Table 1, as determined pursuant to these Auction Rules.

Table 1: Available Spectrum Lots

Lot	Lower Band (MHz)	Upper Band (MHz)
A	1730 – 1735	1825 – 1830
B	1735 – 1740	1830 – 1835
C	1780 – 1785	1875 – 1880

1.2 No more than one member of a Group may bid for or be granted an 1800 MHz Spectrum Right.

1.3 An 1800 MHz Spectrum Right will be granted only to:

- (a) a company incorporated under the Companies Act (Cap. 50); or
- (b) such other person as IDA considers fit and appropriate.

### **SECTION 2 – APPLICATION AND INITIAL OFFER PROCESS**

#### **Applications**

2.1 A person wishing to be registered as a Bidder in order to participate in the Auction must submit a duly completed Application Form (accompanied by the documents specified in the Application Form), an Initial Offer Document and a Bank Guarantee for the Guaranteed Amount in accordance with the requirements of these Auction Rules, delivered by hand to:

Info-communications Development Authority of Singapore  
8 Temasek Boulevard  
#14-00 Suntec Tower 3  
Singapore 038988

For the attention of: Mr Andrew J. Haire

no later than 5.00 pm on the Application Date. IDA will not accept any Application Form, Initial Offer Document and Bank Guarantee received after 5.00 pm on the Application Date.

## **Registration of Bidders**

2.2.1 IDA will review each Application Form, Initial Offer Document and Bank Guarantee, together with any other accompanying documents, submitted in accordance with Section 2.1: (a) for compliance with these Auction Rules; and (b) to determine whether any person which submitted such documents should be registered as a Bidder entitled to participate in the Auction.

2.2.2 In determining whether a person who submitted the documents referred to in Section 2.1 should be registered as a Bidder entitled to participate in the Auction, IDA may consider, among other things:

- (a) whether, in the opinion of IDA, such person has demonstrated that it has the financial and technical capability to acquire a 1800 MHz Spectrum Right to operate a public cellular mobile telecommunication system for the purpose of providing PCMTS in relation to that 1800 MHz Spectrum Right;
- (b) whether, in the opinion of IDA, such person is an Associated Bidder in relation to any other person(s) which submitted an Application Form;
- (c) whether it would be in the public interest for such person to be granted a 1800 MHz Spectrum Right; and
- (d) all or any facts, circumstances or matters which IDA considers to be relevant including, but not limited to, the financial or personal probity and standing of the applicant or any company in the same corporate Group as the applicant or any director or shareholder of the applicant or of any such company.

2.2.3 IDA may request at any time such clarification or additional information or documents, from any person which has submitted the documents referred to in Section 2.1, as may reasonably be required for the purpose of making its determination pursuant to Section 2.2.1. If that person fails to submit such clarification, information or documents to IDA by such time as has been specified by IDA, that person's Application Form and Initial Offer Document may be declared invalid by IDA by notice in writing to that person and if so, IDA will promptly return that person's Bank Guarantee to it.

2.2.4 If any change occurs to the ownership and/or control structure of the person which submitted an Application Form as described in paragraph 1.5 of that person's Application Form, such person must promptly inform IDA in accordance with Section 18.3.

2.2.5 Subject to Section 13.8, if a person wishing to participate in the Auction is a holder of an existing FBO Licence, that person's Application Form and Initial Offer Document will be invalid unless such person agrees to the modification of its existing FBO Licence, in such manner as IDA requires, if such person is provisionally awarded an 1800 MHz Spectrum Right.

2.2.6 Subject to Section 13.8, if a person wishing to participate in the Auction is not a holder of an existing FBO Licence, that person's Application Form and Initial Offer Document will be invalid unless such person agrees to apply for a FBO Licence to operate a PCMTS telecommunication system for the purpose of providing PCMTS telecommunication services, within thirty Business Days of being provisionally awarded an 1800 MHz Spectrum Right. That person will be subject to the specific terms and conditions contained in the FBO Licence, including the Schedule in relation to the provision of PCMTS. Such terms and conditions include a requirement to provide coverage for the whole island of Singapore (including Mass Rapid Transit underground stations/lines and road tunnels), the offshore islands and the territorial waters up to 15 km from the coast line of Singapore.

2.2.7 If IDA determines: (a) that the documents submitted by a person in accordance with Section 2.1 comply with the requirements of these Auction Rules, and (b) at IDA's discretion, that such person may be registered as a Bidder, IDA will notify that person, within five Business Days of the Application Date (or such later date as is determined by IDA), that it is registered as a Bidder entitled to participate in the Auction and of the identities of all other registered Bidders entitled to participate in the Auction.

2.2.8 If IDA determines: (a) that the documents submitted by a person in accordance with Section 2.1 do not comply with the requirements of these Auction Rules, or (b) at IDA's discretion, that such person should not be registered as a Bidder, IDA will notify that person, within five Business Days of the Application Date (or such later date as is determined by IDA), that it is not registered as a Bidder and is not entitled to participate in the Auction. IDA has no obligation to give any reason for its decision in this respect.

2.2.9 If IDA notifies any person which submitted the documents referred to in Section 2.1 that it is not registered as a Bidder for any reason, IDA will promptly return that person's Bank Guarantee to it.

### **Associated Bidders**

2.3.1 If IDA determines that two or more Bidders are Associated Bidders in relation to each other, IDA will notify each of them that it is considered to be an Associated Bidder and will identify the person or persons which IDA considers to be members of the same Associated Bidder Group.

2.3.2 Following receipt of a notice under Section 2.3.1, the members of each Associated Bidder Group will either:

- (a) determine which one of them will participate in the Auction; or

- (b) elect to reorganise themselves so that they cease to be an Associated Bidder Group by such date as has been specified by IDA in the relevant notice.

In either case the members of each Associated Bidder Group will submit a joint notification of their decision, signed by each of them, to IDA within two Business Days after receipt of the notice given pursuant to Section 2.3.1. If IDA is notified of the decision that one of the Associated Bidders in an Associated Bidder Group will participate in the Auction, no other Associated Bidders in the relevant Associated Bidder Group will be registered as a Bidder and permitted to participate in the Auction. If IDA is notified of the decision that the Associated Bidders in the Associated Bidder Group will reorganise themselves so that they cease to be Associated Bidders by the date specified by IDA, IDA will, upon receipt of such notification, reconsider in accordance with Section 2.2.1 whether each such person is eligible to be registered as a Bidder without taking into account that each such person is an Associated Bidder. IDA will notify each such person whether or not it is eligible to be registered as a Bidder within two Business Days of receipt of such notification.

2.3.3 If IDA does not receive a joint notification from the Associated Bidders in an Associated Bidder Group as required by Section 2.3.2, none of the Associated Bidders in such Associated Bidder Group will be permitted to participate in the Auction.

2.3.4 If at any time during the Auction, IDA determines that two or more Bidders are, or have become, an Associated Bidder Group in relation to each other as a result of merger and acquisition activity or otherwise, IDA will notify each of them that it is considered to be an Associated Bidder and will identify the person or persons which IDA considers to be members of such Associated Bidder Group. IDA may:

- (a) in the event that the Auction has not closed:
  - (i) permit the Associated Bidders in such Associated Bidder Group either:
    - (aa) to determine that one of them will continue to participate in the Auction; or
    - (bb) to elect to reorganise themselves so that they cease to be an Associated Bidder Group by such date as is specified by IDA in the relevant notice.

In either case, the members of the Associated Bidder Group will submit a joint notification of their decision, signed by each of them, to IDA within two Business Days after receipt of the notice referred to above. If IDA is notified of the decision that one of the Associated Bidders in an Associated Bidder Group will continue to participate in the Auction, no other Associated Bidder in the relevant Associated Bidder Group will be permitted

to participate in the Auction. If IDA is notified of the decision that the Associated Bidders in an Associated Bidder Group will reorganise themselves so that they cease to be Associated Bidders by the date specified by IDA, each such Bidder will be permitted to continue to participate in the Auction;

- (ii) exclude any of the Associated Bidders in an Associated Bidder Group from the Auction and may restart the Auction or any Round of the Auction in accordance with Section 8; and/or
- (iii) suspend the Auction in accordance with Section 8 or 17;

(b) in the event that the Auction has closed and any one or more Associated Bidder(s) is to be or has been provisionally awarded an 1800 MHz Spectrum Right, IDA may require the members of the relevant Associated Bidder Group to reorganise themselves so that each of their members ceases to be an Associated Bidder in relation to the other(s) by such date as is specified by IDA. The relevant 1800 MHz Spectrum Right(s) will be granted to such Bidder(s) in accordance with, and subject to, Sections 12 and 13, provided that each of them undertakes in writing that such a reorganisation will be completed by the relevant date. No 1800 MHz Spectrum Right will be granted to any Bidder which fails to give, or comply with, such an undertaking.

2.3.5 If by the date specified in the relevant notice given by IDA pursuant to Section 2.3.1 or Section 2.3.4, the members of the relevant Associated Bidder Group have failed to reorganise themselves so that they cease to be Associated Bidder(s) in relation to each other:

- (a) if the Auction has not started, IDA may notify each of such Associated Bidder that it is not eligible to be registered as a Bidder and will not be permitted to participate in the Auction;
- (b) if the Auction has started, IDA may exclude any of the relevant Associated Bidders from the Auction; or
- (c) if the Auction has closed and any one or more of the relevant Associated Bidders has been, or is entitled to be, provisionally awarded or granted an 1800 MHz Spectrum Right, IDA may by notice to the relevant Bidder(s) refuse to make, or may revoke, such provisional award(s) or grant(s).

2.3.6 An Application Form and an Initial Offer Document submitted by a member of an Associated Bidder Group which is not permitted to participate, or to participate further, in the Auction pursuant to Sections 2.2.8, 2.3.2, 2.3.3 or 2.3.4 or submitted by a member of an Associated Bidder Group which has failed to reorganise itself so that it ceased to be an Associated Bidder Group by the date specified by IDA pursuant to Sections 2.3.2 or 2.3.4, will be deemed not to have been submitted for the purposes of these Auction Rules.

2.3.7 IDA shall determine whether any Bidder which submits an Application Form and an Initial Offer Document is an Associated Bidder in relation to any other Bidder or Bidders which have submitted Application Forms and Initial Offer Documents. Two or more Bidders will not be determined to be Associated Bidders in relation to each other solely as a result of the fact that:

- (a) a member of one of such Bidder's Group (whether directly or indirectly):
  - (i) holds or is beneficially entitled or has a right to acquire or subscribe to 20 per cent or less of the share capital of any member of such other relevant Bidder's Group;
  - (ii) has a right to acquire or subscribe for shares which, when aggregated together with such shares which it holds or to which it is beneficially entitled, represent or would represent 20 per cent or less of the share capital of any member of such other relevant Bidder's Group; or
  - (iii) possesses voting power in respect of 20 per cent or less of the share capital of any member of such other Bidder's Group;
- (b) a director of a member of one of such Bidder's Group is also a director of a member of any other relevant Bidder's Group; and/or
- (c) the Bidders' ultimate holding company has a passive ownership interest in the Bidders.

2.3.8 For the purpose of these Sections 2.3.1 – 2.3.8, **Bidder** shall include a person which has submitted an Application Form, Initial Offer Document and/or a Bank Guarantee in accordance with Section 2.1.

### **Initial Offers**

2.4.1 An Initial Offer Document will confirm a Bidder's agreement and commitment to participate in the Auction and will specify:

- (a) one of the Available Spectrum Lots as the Bidder's Specified Lot; and
- (b) the names of at least two and a maximum of five Authorised Representatives of the Bidder together with specimen signatures and documentary evidence satisfactory to IDA of the appointment of each of such Authorised Representatives as a person having authority to act alone on behalf of, and bind, the Bidder in the Auction.

2.4.2 An Initial Offer Document which does not comply with Section 2.4.1 shall be deemed not to be a duly submitted Initial Offer Document and IDA will promptly return that Bidder's Bank Guarantee to that Bidder.

2.4.3 An Initial Offer submitted by a Bidder in its Initial Offer Document, which complies with Section 2.4.1, cannot be withdrawn and will remain a

legally binding offer on that Bidder in respect of the Specified Lot, until such time as IDA:

- (a) notifies that such Bidder is not registered and is not entitled to participate in the Auction in accordance with Section 2.2.8; or
- (b) issues a Provisional Award Notice of the 1800 MHz Spectrum Right in respect of any of the relevant 1800 MHz Spectrum Lots.

2.4.4 For the purpose of Sections 2.4.1 – 2.4.4, **Bidder** shall include a person which has submitted an Application Form, an Initial Offer Document and/or a Bank Guarantee in accordance with Section 2.1.

### **Bank Guarantee**

2.5.1 An Application Form and an Initial Offer Document must be submitted with a Bank Guarantee for the Guaranteed Amount.

2.5.2. The Guaranteed Amount is S\$500,000.00.

2.5.3 Bank Guarantees will be returned to the relevant Bidders in accordance with Sections 2.2.3, 2.2.9, 2.4.2, 2.6.3, 2.7.3, and 13.

### **Determination as to whether Auction is to proceed**

2.6.1 If IDA receives:

- (a) more than one Initial Offer, the Auction will proceed;
- (b) only up to one Initial Offer, the Auction will not proceed.

2.6.2 Notwithstanding any other provision of these Auction Rules, IDA may at any time prior to the Auction Start Date determine that the Auction will not proceed. In such event, IDA may elect not to grant any 1800 MHz Spectrum Right or may grant an 1800 MHz Spectrum Right in respect of any of the Available Spectrum Lots by any manner which it considers fit and appropriate.

2.6.3 If IDA determines that the Auction will not proceed, IDA will notify each Bidder. In addition, if IDA elects not to grant any 1800 MHz Spectrum Right, IDA will promptly return each Bank Guarantee to the relevant Bidder which submitted that Bank Guarantee.

2.6.4 If IDA determines that the Auction will proceed, IDA will notify each Bidder within ten Business Days of the Application Date that the Auction will proceed.

### **Provisional Awards where Auction does not proceed**

2.7.1 If the Auction does not proceed in accordance with Section 2.6.1(b), and there is one Bidder, IDA may provisionally award an 1800 MHz Spectrum Right to that Bidder in respect of its Specified Lot pursuant to its Initial Offer.

The Base Year Charge for the 1800 MHz Spectrum Lot allocated under this Section 2.7.1 shall be equal to the Reserve Price. The Annual Charge and the Application and Processing Fee will also be applied. Such provisional awards will be made by issuing to the relevant Bidder a Provisional Award Notice notifying that Bidder of:

- (a) the 1800 MHz Spectrum Lot included in the 1800 MHz Spectrum Right which that Bidder is provisionally awarded;
- (b) the Base Year Charge;
- (c) the Annual Charge;
- (d) the Application and Processing Fee; and
- (e) details of the IDA Bank Account.

2.7.2 In the event that IDA has provisionally awarded under Section 2.7.1 the 1800 MHz Spectrum Right, IDA will issue the Provisional Award Notice to the relevant Bidder within fifteen Business Days of the Application Date.

2.7.2A In the event the Bidder which has been issued a Provisional Award Notice in accordance with Section 2.7.2 wishes to be granted a 1800 MHz Spectrum Right in respect of an Available Spectrum Lot other than its Specified Lot, the Bidder may submit a written request to IDA within 2 business days from the date of the Provisional Award Notice. IDA may, at its discretion, grant or deny the Bidder's request and shall in either case notify the Bidder within 7 business days from the date IDA receives the Bidder's written request. Notwithstanding any request by the Bidder under this Section, in the event IDA denies any such request, the Provisional Award Notice issued by IDA to the Bidder in respect of the Bidder's Specified Lot shall remain valid. In any case, the Bidder shall comply with Section 2.7.3 and all other applicable provisions of these Auction Rules.

2.7.3 The Bidder which has been issued a Provisional Award Notice in accordance with Section 2.7.2 will, prior to the date which is seven Business Days after the date of issue of the Provisional Award Notice ("Payment Date"), transfer to the IDA Bank Account the 1800 MHz Spectrum Right Initial Payment. If the 1800 MHz Spectrum Right Initial Payment is received in the IDA Bank Account prior to or on the Payment Date, IDA will: (a) grant that Bidder the 1800 MHz Spectrum Right in respect of its Specified Lot or such other 1800 MHz Spectrum Right in respect of an Available Spectrum Lot as approved by IDA under Section 2.7.2A and (b) return that Bidder's Bank Guarantee within seven Business Days of the Payment Date (provided that the Bidder is not subject to Forfeiture). If the 1800 MHz Spectrum Right Initial Payment is not received prior to or on the Payment Date, that Bidder will not be granted a 1800 MHz Spectrum Right. IDA may determine that that Bidder is subject to a Forfeiture in accordance with Section 11.2.2 and IDA may draw down upon that Bidder's Bank Guarantee for an amount up to the Guaranteed Amount.

2.7.4 The 1800 MHz Spectrum Right granted in accordance with Section 2.7.3 shall be effective as of the Effective Date in accordance with the terms and conditions of such 1800 MHz Spectrum Right. If the procedure for award of the 1800 MHz Spectrum Right has not been completed by that date, the 1800 MHz Spectrum Right shall become effective on such later date as IDA may determine. Payment of the 1800 MHz Spectrum Right Initial Payment shall constitute settlement of the Base Year Charge, the Application and Processing Fee and Annual Charge for the first year in respect of the 1800 MHz Spectrum Lot included in that 1800 MHz Spectrum Right.

2.7.5 Any Available Spectrum Lot for which an 1800 MHz Spectrum Right has not been granted in accordance with Section 2.7.3 may be offered by IDA in another auction or allocated in such other manner as IDA deems fit and appropriate.

### **SECTION 3 – AUTHORISED REPRESENTATIVES, INFORMATION SESSION AND TRAINING SESSIONS**

3.1 If IDA has determined that the Auction will proceed, IDA will hold an Information Session at least three Business Days before the Auction Start Date. IDA will notify all Bidders of the date, time and location of the Information Session at least one Business Day in advance.

3.2 The purpose of the Information Session is to provide the Bidders with an opportunity to clarify any matter relating to these Auction Rules, the Auction framework and the bidding procedures in the Auction, and to familiarise themselves with the Auction framework and the bidding procedures in the Auction.

3.3 At the Information Session, IDA will make available to each Bidder a document entitled “Instructions to Bidders”. This document will provide detailed instructions to Bidders on the use of the Auction Software System and instructions on how each Bidder should communicate with IDA during the Auction.

3.4 Training Sessions on the use of the Auction Software System will be conducted by the Auction Service Provider for all Authorised Representatives following the Information Session. Each Bidder must schedule a training session with the Auction Service Provider which must be attended by all its Authorised Representatives.

3.5 Each of a Bidder’s Authorised Representatives must be named in the Disclosure List submitted by that Bidder in its Application Form. A Bidder must have at least one and may have no more than five Authorised Representatives at any time. A Bidder may replace any of its Authorised Representatives at any time prior to the commencement of the Information

- (a) the particulars and documentation referred to in Section 2.4.1(b) in respect of the new Authorised Representative(s) are submitted to IDA at such time; and
- (b) each new Authorised Representative must be named in the Disclosure List submitted by that Bidder in its Application Form.

3.6 Each Authorised Representative of each Bidder is required to attend the Information Session and complete a Training Session and thereafter submit a written declaration to IDA (in the form stipulated by IDA), at least one Business Day before the Auction Start Date, stating that such Authorised Representative understands the Auction Rules and Auction framework and the bidding procedures in the Auction Rules and “Instructions to Bidders” and undertakes to observe the Auction Rules and Auction framework and bidding procedures in the Auction Rules and “Instructions to Bidders”. Failure to do so will invalidate the relevant Authorised Representative’s appointment.

3.7 If an Authorised Representative of a Bidder does not attend the Information Session and/or does not complete a Training Session and/or does not submit the written declaration required by Section 3.6, that Authorised Representative will not be permitted to represent the Bidder in the Auction.

3.8 Notwithstanding that a Bidder has been successfully registered as a Bidder entitled to participate in the Auction under Section 2, if a Bidder does not have at least one Authorised Representative who is permitted to represent the Bidder in the Auction, such Bidder shall not and shall no longer be entitled to participate in the Auction. The Auction will not proceed if there is no more than one Bidder entitled to participate in the Auction.

3.9 Representatives of each Bidder in addition to the Bidder’s Authorised Representatives will be permitted to attend the Information Session, provided that no more than eight natural persons (including the Authorised Representatives) may attend on behalf of any Bidder. Only the Authorised Representatives may attend the Training Sessions. Each Bidder must submit to IDA as a separate annex to its Initial Offer Document, a list of its representatives (other than Authorised Representatives) whom it proposes to attend the Information Session on behalf of that Bidder, by listing their respective names and identity card/passport numbers. Any person (other than Authorised Representatives) not included in such a list will not be permitted to attend the Information Session. A Bidder may replace any of the representatives identified in such list at any time prior to the commencement of the Information Session upon written notification to IDA submitted in accordance with Section 18.1. Such notification must identify the representatives (by their respective names and identity card/passport numbers) whom the Bidder wants to replace, and provide the names and identity card/passport numbers of the representatives to be appointed in replacement thereof.

## **PART II - AUCTION FRAMEWORK**

### **SECTION 4 – PARTICIPATION IN AUCTION**

4.1 Only Bidders which have been notified that they are registered Bidders in accordance with Sections 2.2.7 and/or 2.3.2 and have at least one Authorised Representative who is permitted to represent the Bidder in the Auction will be permitted to participate in the Auction. Bidders which have been excluded from the Auction by notice from IDA pursuant to these Auction Rules will not be permitted to participate, or participate further, in the Auction or any restart of the Auction. IDA may exclude a Bidder from the Auction at any time by giving notice to such Bidder pursuant to Sections 2.3.4, 2.3.5, 11.1, 14.2 and/or 19.3. Any Valid Bid submitted by a Bidder which is excluded from participation in the Auction pursuant to these Auction Rules shall immediately lapse and cease to have any effect.

4.2 Subject to Section 4.1, by agreeing to participate in the Auction, each Bidder agrees to be bound by the outcome of the Auction.

### **SECTION 5 – COMMENCEMENT OF AUCTION**

5.1 If the Auction proceeds pursuant to Section 2.6.1(a), IDA will, on the Notification Date, notify all Bidders of

- (a) the Auction Start Date;
- (b) the scheduled time at which the Auction will start; and
- (c) the location of the Auction Centre.

5.2 Bidders will participate in the Auction using the Auction Software System to submit their bids. The Auction Software System will be password-protected, and access will be limited to Authorised Representatives of Bidders and the auction manager.

5.3 Every Bidder will be provided with one bidding account. Each Authorised Representative of each Bidder will be notified by the Auction Service Provider of the Bidder's username and password for the Auction Software System and of the appropriate web address prior to the Auction. Up to two Authorised Representatives of the same Bidder may log in to the Auction Software System at the same time using the Bidder's username and password.

5.4 The auction shall commence at the scheduled time on the Auction Start Date notified by IDA in accordance with Section 5.1. Bidders are advised to log in to the Auction Software System in advance.

5.5 Bidders may log in to the Auction Software System from their own premises. However, at least one Authorised Representative from each Bidder must log in to the Auction Software System from the Auction Centre.

- 5.6 All communications between each Bidder and IDA during the Auction must be made in accordance with the protocols set out in the "Instructions to Bidders".

#### **SECTION 6 – AUCTION BIDDING PROCEDURE**

6.1 The Auction will be conducted in an ascending auction format. For a bid to be considered a Valid Bid, the submitted bid price must be

- (a) above the Reserve Price;
- (b) above the Going Price; and
- (c) in multiples of \$10,000.

*For example, if the Going Price is \$310,000, possible Valid Bids will be \$320,000, \$330,000, \$340,000 and so on.*

6.2 A Valid Bid will constitute a legally binding offer made by the Bidder to IDA in respect of its Specified Lot.

6.3 If no Valid Bid is placed within the first 10 minutes of the Auction, the Auction will close without a winner.

6.4 The Auction will be extended by 10 minutes after each Valid Bid is submitted. The Auction will close in the first instance where no further Valid Bid is submitted within 10 minutes of the Prevailing Bid, unless the Auction is suspended or abandoned within that time.

#### **SECTION 7 – SUSPENDING THE AUCTION**

7.1 If at any time during the Auction, IDA considers it necessary to suspend the Auction due to any circumstance, IDA will notify all Bidders:

- (a) that the Auction will be suspended; and
- (b) of the date and time at which the Auction will continue.

7.2 Each Bidder is entitled to request one Recess during the Auction. The duration of each Recess is 60 minutes. A Recess may only be requested by a Bidder within 5 minutes of the Prevailing Bid, provided that no prior Recess request was made by any other Bidder during that period. Recesses may be requested only by notifying IDA in accordance with the protocols set out in the "Instructions to Bidders".

7.3 If IDA receives a Recess request, IDA will notify all Bidders that a Recess has been requested and suspend the Auction for 60 minutes in accordance with Section 7.1.

## **SECTION 8 – CONTINUING THE AUCTION**

8.1 A suspended Auction will cease to be suspended at the time stated by IDA in its notification in accordance with Section 7.1, or such later time as IDA may otherwise notify the Bidders, provided that IDA gives Bidders at least half an hour of notice before continuing the Auction.

8.2 A suspended Auction will continue with the Prevailing Bid and Going Price as at the point the Auction was suspended. If no Valid Bid is placed within the first 10 minutes of the continuation of the Auction, the Auction will close. If a Valid Bid is placed within the first 10 minutes of the continuation of the Auction, the Auction will continue in accordance with Section 6.4.

## **SECTION 9 – ABANDONING AND RESTARTING THE AUCTION**

9.1 If at any time during the Auction, IDA considers it necessary to abandon the Auction due to any circumstance, IDA will notify all Bidders:

- (a) that the Auction will be abandoned;
- (b) that the Auction will be restarted; and
- (c) of the date and time at which the Auction will be restarted.

9.2 If within 24 hours of the close of the Auction, IDA becomes aware that an error has occurred in registering the value of a bid submitted by a Bidder during the Auction and IDA considers that the error may have a material effect on the identity of the Bidder which would be granted a 1800 MHz Spectrum Right and/or the amount of the 1800 MHz Spectrum Right Initial Payment, IDA may, having consulted all Bidders, abandon and restart the Auction.

9.3 For the avoidance of doubt, when IDA has notified Bidders that the Auction will be abandoned, the Auction shall, subject to Section 9.4, be deemed not to have taken place.

9.4 Any abandonment of the Auction will not affect any Forfeiture determined by IDA pursuant to Section 11.2.1 – 11.2.3.

9.5 For the avoidance of doubt, in the event that IDA determines to restart the Auction, any excluded Bidder(s) will not be entitled to participate in the restart of the Auction.

10.1 In the event that the Auction closes in accordance with Section 6.3, 6.4 or 8.2, IDA will notify each Bidder of the close of the Auction.

10.2 In the event that the Auction closes in accordance with Section 6.3, IDA may decide the following:

- (a) determine that the Auction will be restarted;
- (b) elect not to grant any 1800 MHz Spectrum Right; or
- (c) grant an 1800 MHz Spectrum Right to any of the Bidders, selected through a random draw or any other manner which IDA considers fit and appropriate, in respect of the selected Bidder's Specified Lot pursuant to its Initial Offer.

10.3 In the event that the Auction will be restarted, IDA will notify each Bidder that the Auction will be restarted, and the date and time at which the Auction will be restarted.

10.4 In the event that the Auction closes in accordance with Section 6.4 or 8.2, the Bidder which submitted the last Valid Bid before the close of the Auction will be the Winning Bidder.

## **SECTION 11 – EXCLUSION/FORFEITURE OF GUARANTEED AMOUNT**

### **Exclusion**

11.1 If at any time IDA determines that a Bidder has failed to comply with one or more of the Auction Rules or the procedures relating to the Auction (including without limitation any of the bidding procedures under the Auction Rules and "Instructions to Bidders") or otherwise acted in a manner which IDA considers to be prejudicial to the Auction, IDA may upon notification to that Bidder at any time exclude that Bidder from the Auction and that Bidder may not participate, or participate further, in the Auction or any restart of the Auction.

### **Forfeiture of Guaranteed Amount**

11.2.1 IDA may determine that a Bidder shall forfeit all or part of that Bidder's Guaranteed Amount in any of the circumstances specified in Section 11.2.2 by serving a Forfeiture Notice on that Bidder. A Forfeiture Notice will be given, and deemed received, in accordance with Section 18.2. Forfeitures will be settled in accordance with Section 13.

11.2.2 IDA may serve a Forfeiture Notice on a Bidder in each of the following circumstances:

11.2.3 The amount which shall be forfeited by a Bidder in any of the circumstances specified in Section 11.2.2 shall be determined by IDA, provided that the aggregate of the amounts forfeited by a Bidder shall not exceed the relevant Bidder's Guaranteed Amount at the time the Forfeiture is determined.

## **PART III - GRANT OF 1800 MHZ SPECTRUM RIGHT**

### **SECTION 12 – PROVISIONAL AWARDS OF 1800 MHZ SPECTRUM RIGHT**

12.1 In the case where the Auction proceeds, the 1800 MHz Spectrum Right will be provisionally awarded within two Business Days following the close of the Auction (or such longer period as IDA determines, which will not exceed four Business Days). The 1800 MHz Spectrum Right will be provisionally awarded to the Winning Bidder in respect of its Specified Lot.

12.2 Any Available Spectrum Lots for which an 1800 MHz Spectrum Right has not been granted in accordance with Section 13.3 may be offered by IDA in another auction or allocated in such other manner as IDA deems fit and appropriate.

12.3 The Base Year Charge for the 1800 MHz Spectrum Lot allocated through the Auction shall be equal to the Going Price at the close of the Auction. The Annual Charge and the Application and Processing Fee will also be applied.

12.4 Within two Business Days of the close of the Auction (or such longer period as IDA determines, which will not exceed four Business Days), IDA will issue to the Winning Bidder, a Provisional Award Notice notifying that Bidder of:

- (a) the specific 1800 MHz Spectrum Lot included in the 1800 MHz Spectrum Right which that Bidder is provisionally awarded;

- (b) the Base Year Charge;
- (c) the Annual Charge;
- (d) the Application and Processing Fee;
- (e) the aggregate of any Forfeitures to be settled by that Bidder (**Forfeiture Amount**); and
- (f) details of the IDA Bank Account.

12.4A In the event the Bidder which has been issued a Provisional Award Notice in accordance with Section 12.4 wishes to be granted a 1800 MHz Spectrum Right in respect of an Available Spectrum Lot other than its Specified Lot, the Bidder may submit a written request to IDA within 2 business days from the date of the Provisional Award Notice. IDA may, at its discretion, grant or deny the Bidder's request and shall in either case notify the Bidder within 7 business days from the date IDA receives the Bidder's written request. Notwithstanding any request by the Bidder under this Section, in the event IDA denies any such request, the Provisional Award Notice issued by IDA to the Bidder in respect of the Bidder's Specified Lot shall remain valid. In any case, the Bidder shall comply with Section 13.3 and all other applicable provisions of these Auction Rules.

12.5 Within two Business Days of the close of the Auction (or such longer period as IDA determines, which will not exceed four Business Days), IDA will publicly announce:

- (a) the identity of the Winning Bidder; and
- (b) the Base Year Charge.

**SECTION 13 – SETTLEMENT OF 1800 MHZ SPECTRUM RIGHT INITIAL PAYMENT AND FORFEITURES (IF ANY) AND GRANT OF 1800 MHZ SPECTRUM RIGHT**

13.1 If at the close of the Auction, a Bidder is not entitled to a provisional award of an 1800 MHz Spectrum Right and is not subject to any Forfeitures, that Bidder's Bank Guarantee will be returned to that Bidder within ten Business Days of the close of the Auction.

13.2 If upon the close of the Auction, a Bidder is not entitled to a provisional award of an 1800 MHz Spectrum Right but is subject to one or more Forfeitures, the Forfeiture Amounts payable by that Bidder will be transferred by that Bidder within seven Business Days of the close of the Auction to the IDA Bank Account. If the aggregate Forfeiture Amounts are received in the IDA Bank Account within seven Business Days of the close of the Auction, that Bidder's Bank Guarantee will be returned to that Bidder within twenty Business Days of the close of the Auction. If the Forfeiture Amounts are not received in the IDA Bank Account within seven Business Days of the close of

the Auction, IDA may draw upon that Bidder's Bank Guarantee for the amount of the Forfeitures.

13.3 The Winning Bidder will transfer to the IDA Bank Account the 1800 MHz Spectrum Right Initial Payment and, if that Bidder is subject to one or more Forfeitures, the amount of the Forfeitures payable by that Bidder within seven Business Days of the close of the Auction. If the 1800 MHz Spectrum Right Initial Payment, and any Forfeiture Amounts payable, are received in the IDA Bank Account on or prior to the date which is seven Business Days after the date of the close of the Auction ("Payment Date"), IDA will: (a) grant the Winning Bidder the 1800 MHz Spectrum Right in respect of its Specified Lot or such other 1800 MHz Spectrum Right in respect of an Available Spectrum Lot as approved by IDA under Section 12.4A, and (b) return that Bidder's Bank Guarantee to the Winning Bidder within seven Business Days of the Payment Date. If the 1800 MHz Spectrum Right Initial Payment or any Forfeiture Amounts payable by that Bidder are not received in the IDA Bank Account on or prior to the Payment Date, the Winning Bidder will not be granted a 1800 MHz Spectrum Right and IDA may determine that the Winning Bidder is subject to a further Forfeiture in accordance with Section 11.2.2 and IDA may draw upon the Winning Bidder's Bank Guarantee for the aggregate amount of the Forfeitures and the amount of any further Forfeitures payable pursuant to this Section 13.3.

13.4 An 1800 MHz Spectrum Right granted in accordance with Section 13.3 shall be effective as of the Effective Date in accordance with the terms and conditions of such 1800 MHz Spectrum Right. If the procedure for award of the 1800 MHz Spectrum Right has not been completed by the Effective Date, the 1800 MHz Spectrum Right shall become effective on such later date as IDA may determine. Payment of an 1800 MHz Spectrum Right Initial Payment shall constitute settlement of the Base Year Charge and Annual Charge for the first year for an 1800 MHz Spectrum Right.

13.5 In the event that the 1800 MHz Spectrum Right Initial Payment and/or Forfeiture Amounts are not received by IDA in accordance with Section 13.3 from the Winning Bidder which has been provisionally awarded a 1800 MHz Spectrum Right ("Defaulting Bidder"), IDA will revoke such provisional award and no 1800 MHz Spectrum Right will be granted to the Defaulting Bidder. In this event, IDA reserves the right to:

- (a) Abandon and restart the Auction and exclude the Defaulting Bidder from the Auction;
- (b) Grant a 1800 MHz Spectrum Right to the Bidder which submitted the next highest Valid Bid ("Second Highest Bidder") before the close of the Auction, in respect of its Specified Lot, subject to the written agreement of the Second Highest Bidder, for an amount including:
  - (i) the Base Year Charge equal to the amount of the highest Valid Bid submitted by the Second Highest Bidder;

- (ii) the Annual Charge; and
  - (iii) the Application and Processing Fee; or
- (c) Allocate the Available Spectrum Lots in another auction which may be subject to rules which are different from these Auction Rules or by any other allocation method which IDA considers fit and appropriate.

13.6 The Annual Charge payable for the second year onwards of the duration of a 1800 MHz Spectrum Right in respect of each 1800 MHz Spectrum Lot included in a 1800 MHz Spectrum Right shall be payable in accordance with the terms and conditions of such 1800 MHz Spectrum Right.

13.7 Any GST payable on any sum payable to IDA pursuant to these Auction Rules or an 1800 MHz Spectrum Right, including a Base Year Charge, Annual Charge(s) or an Application and Processing Fee shall be payable by the relevant Bidder.

13.8 A Bidder which is provisionally awarded an 1800 MHz Spectrum Right and which has paid the 1800 MHz Spectrum Right Initial Payment and any Forfeiture Amount payable by that Bidder prior to the Payment Date in accordance with Section 13.3 may, by notice in writing delivered to IDA prior to the Payment Date, request that:

- (a) the relevant 1800 MHz Spectrum Right be granted to an entity which complies with Section 1.3 and which is owned and controlled by the Bidder (whether wholly or together with other persons) in accordance with the information provided in that Bidder's Application Form and Initial Offer Document and any clarification or additional information and documents submitted by that Bidder; and
- (b) the time period set out in Section 13.3 for grant of the relevant 1800 MHz Spectrum Right be extended by up to fourteen Business Days (for a total of twenty one Business Days) from the Payment Date in order that the entity referred to in Section 13.8(a) can be established,

provided that:

- (i) such Bidder has indicated in its Application Form and Initial Offer Document that it may wish to serve such a notice under this Section 13.8; and
- (ii) that entity must submit to IDA, prior to the grant of the relevant 1800 MHz Spectrum Right, its application for an FBO Licence to operate PCMTS telecommunication systems for the purposes of providing PCMTS telecommunication services in relation to that 1800 MHz Spectrum Right.

No 1800 MHz Spectrum Right will be granted to an entity which does not comply with Section 1.3 and is not owned and controlled by the relevant

Bidder (whether wholly or together with other persons), if any, in accordance with the information provided in that Bidder's Application Form and Initial Offer Document and any clarification or additional information and documents submitted by that Bidder.
