(CHAPTER 323)  
ON  
22 SEPTEMBER 2011**

**PART I: THE LICENCE**

On 22 September 2011, the Info-communications Development Authority of Singapore (hereinafter referred to as “IDA”), in exercise of its powers under Section 5 of the Telecommunications Act (Cap. 323) (hereinafter referred to as the “Act”) hereby grants to CityNet Infrastructure Management Pte Ltd, in its capacity as the trustee-manager of the NetLink Trust, (hereby designated by IDA on 22 September 2011 as a Public Telecommunication Licensee under Section 6 of the Act and hereinafter referred to as “the Public Telecommunication Licensee” or “the Licensee” for short) a licence (the “Licence”) to establish, install and maintain the systems specified in Schedule A (hereinafter referred to as the “Systems”) to operate and provide the services specified in Schedule B (hereinafter referred to as the “Services”), subject to the terms and conditions set out herein and the specific terms and conditions set out in Schedule C.

**1. Period of Licence**

- 1.1 The Licence shall come into force on the date hereof and shall be valid until 31 March 2034, unless suspended or cancelled by IDA in accordance with Condition 30 or terminated by the Licensee in accordance with Condition 31 of this Licence.
- 1.2 The Licence may be further renewed for such period as IDA thinks fit and subject to such terms and conditions as may be specified by IDA under Section 5 of the Act.

## **2. Payment of Licence Fee**

- 2.1 The Licensee shall pay to IDA an annual fee which is 1% of the annual audited gross turnover (“AGTO”) based on the provision of the Services during the Licensee’s financial year, subject to a minimum of \$250,000.
- 2.2 The Licensee shall pay the annual licence fee within 2 weeks of the grant of the Licence. IDA shall forfeit the fees payable under this Condition if the Licensee withdraws its acceptance of the Licence after the award of the Licence; or the Licence is terminated or cancelled at any time during the term of the Licence.
- 2.3 For the first year of operation, the minimum annual licence fee of \$250,000 shall be payable upon the grant of the Licence and shall be adjusted at the end of the Licensee’s financial year based on the Licensee’s audited accounts submitted to IDA.
- 2.4 For subsequent years, the annual licence fee, based on the last available audited accounts, shall be paid in advance on the first day of the Licensee’s financial year, subject to the minimum fee of \$250,000 and subject to adjustment when more recent audited accounts are available.
- 2.5 In the event of a default by the Licensee in the payment of any fee when due under the Licence, the Licensee shall pay to IDA interest on the amount from time to time outstanding in respect of the overdue sum from the period beginning on its due date and ending on the date of its receipt in full by IDA, which interest shall accrue from day to day and shall be calculated on the basis of the actual number of days elapsed and a 365-day year. The applicable rate of interest shall be the average of the prevailing prime lending rates of the banks and finance companies quoted and published by the Monetary Authority of Singapore.
- 2.6 The Licensee shall submit to IDA an audited AGTO statement, not later than 6 months after the end of each financial year.

### **7. Provision of International Services**

7.1 The Licensee shall take all reasonable steps to provide to any person to whom it provides telecommunication services, full connection by means of the Systems to international telecommunication services, unless IDA is satisfied that for any of the reasons set out in Condition 33 it would be unreasonable for the Licensee to do so.

## **13. Changes to Systems**

13.1 The Licensee shall give notice in writing to IDA and shall notify all parties affected of any changes it intends to implement in the specification or performance of the Systems which would require changes to any equipment or systems connected to the Systems or which would have the effect of making such connections inoperable. The period of notice given shall be appropriate to the likely impact on the parties affected and on connected equipment or systems and shall be decided in consultation with IDA.

13.2 Where IDA considers that a change in the Systems referred to in Condition 13.1 would cause another person licensed to provide telecommunication services in Singapore to make major changes in its own systems in order to connect its systems to the Systems, and notifies the Licensee thereof, the Licensee shall obtain the prior approval of IDA before implementing such a change.

## **14. Infrastructure Sharing and Deployment**

14.1 The Licensee shall comply with IDA’s framework for facilities sharing and deployment, including all relevant Codes of Practice, directions and notifications which IDA may issue from time to time.

14.2 Where IDA considers it necessary for the Licensee to share infrastructure with other telecommunication licensees in designated areas in the national and/or public interest or otherwise, IDA shall inform the licensees

### **22. Contracts with Third Parties to Operate or Provide Licensed Systems or Services**

22.1 Where the Licensee intends to enter into any joint venture, association, contract or arrangement with a third party, the effect or purported effect of which would be to permit a person who is not originally a party to this Licence to share in the benefits of, or otherwise gain any rights or privileges under this Licence, or which would otherwise result in a breach

3.1, the Licensee shall seek IDA's approval for the joint venture, association, contract or arrangement in question.

22.2 IDA may direct at any time the Licensee to effect any changes it deems necessary in the terms and conditions of the joint venture, association, contract or arrangement referred to above.

22.3 If the Licensee fails to effect the necessary changes referred to in Condition 22.2, IDA may direct the Licensee to terminate any such joint venture, association, contract or arrangement.

22.4 Nothing in Condition 22.1 shall be construed as requiring the Licensee to obtain the approval of IDA for the appointment of agents or for the employment of independent contractors or sub-contractors to carry out any works or provide any services which enable the Licensee to discharge its duties and obligations under this Licence provided that the Licensee shall be liable to IDA for any act, omission, default, neglect or otherwise of the agents and independent contractors or sub-contractors in carrying out any such works or providing any such services.

26.3 The Licensee shall keep in strict confidence any document and information furnished to or so required by IDA pursuant to Condition 26.1, as well as the fact that IDA has requested such document or information.

26.4 IDA may use and disclose any such document or information provided to IDA pursuant to Condition 26.1 as IDA deems fit.

26.5 Where IDA proposes to disclose any document or information obtained pursuant to Condition 26.1 and IDA considers that the disclosure would result in the release of information concerning the business, commercial or financial affairs of the Licensee or which disclosure would or could reasonably be expected to adversely affect the Licensee's lawful business, commercial or financial affairs, IDA will give the Licensee a reasonable

opportunity to make representations on the proposed disclosure before IDA makes a final decision whether to disclose the information.

**27. National Emergency and Security**

27.1 The Licensee shall, where directed by IDA, participate in any emergency activities or preparations thereof in collaboration with other relevant agencies, organisations and Government ministries and departments, in accordance with the written law in Singapore.

### **33. Exceptions and Limitations on Obligations**

33.1 The Licensee shall not be held to have failed to comply with its obligations in this Licence if and to the extent that IDA is satisfied that it is prevented from complying with those obligations for the following reasons:

- (a) malfunction or failure of any equipment where IDA determines that reasonable measures were taken beforehand;
- (b) the act or omission of any national authority, local authority or international organisation; or
- (c) any other factor, which, in the opinion of IDA is beyond the Licensee's reasonable control and which notwithstanding the exercise by it of reasonable diligence and foresight, the Licensee was unable to prevent or overcome,
