

**LICENCE GRANTED BY THE INFO-COMMUNICATIONS
DEVELOPMENT AUTHORITY OF SINGAPORE TO
SINGAPORE TELECOM MOBILE PTE LTD ON
1 APRIL 1992
AND
AMENDED AS AT 9 JUNE 2000**

TABLE OF CONTENTS

PART I: THE LICENCE

- 1. Period of Licence**
- 2. Payment of Licence Fee**
- 3. Licence is not Transferable**
- 4. Description of Systems and Services**

PART II: BASIC OBLIGATIONS OF LICENSEE

- 5. Service Coverage**
- 6. Public Emergency Call Services**
- 7. Co-operation with Civil/Public Bodies**

PART III: TECHNICAL OBLIGATIONS

- 8. Use of Telecommunication Equipment in the Systems**
- 9. Operation of Radiocommunication Stations**
- 10. Use of Radio Frequencies**
- 11. Assignment of Telephone Numbers**

PART IV: ACCESS AND INTERCONNECTION OBLIGATIONS

- 12. Requirements to Provide Access**
- 13. Connection to Other Systems**
- 14. Arrangements for Connection to Systems**
- 15. Changes to Systems**
- 16. Infrastructure Sharing and Deployment**

PART V: SERVICE OBLIGATIONS

- 17. Price Control/Tariffing Arrangements/Quality of Service Standards**
- 18. Publication of Charges, Terms and Conditions**
- 19. Confidentiality of Subscriber Information**

PART VI: OTHER OBLIGATIONS

- 20. Codes of Practice**
- 21. Number Portability**
- 22. Accounting Separation**
- 23. Restriction on Undue Preference and Undue Discrimination**
- 24. Restriction Against Anti-Competitive Arrangements**
- 25. Contracts with Third Parties to Operate or Provide Licensed Systems or Services**
- 26. Ownership, Shareholding and Management Arrangements**
- 27. Direction by IDA**
- 28. Dispute Resolution**
- 29. Provision of Information to IDA**
- 30. Participation in Emergency Activities**
- 31. International Obligations**

PART VII: SUSPENSION, VARIATION AND TERMINATION

- 32. Penalty Framework for Breach of Licence Conditions**
- 33. Variation of Terms of Licence**
- 34. Suspension /Cancellation**
- 35. Termination of Licence**
- 36. Rights upon Termination, Suspension or Cancellation**
- 37. Exception and Limitations on Obligations**
- 38. Compliance with the Law**
- 39. Governing Law**
- 40. Service of Notices**
- 41. Severability**

SCHEDULE OF INTEPRETATIONS

- SCHEDULE A - THE SERVICES**
- SCHEDULE A1 - THE SERVICES (WBA)**
- SCHEDULE A2 - THE SERVICES (WBA)**
- SCHEDULE B - SPECIFIC TERMS AND CONDITIONS**

**LICENCE GRANTED BY THE INFO-COMMUNICATIONS DEVELOPMENT
AUTHORITY OF SINGAPORE TO
SINGAPORE TELECOM MOBILE PTE LTD**

PART I: THE LICENCE

- (A) On 1 April 1992, the Telecommunication Authority of Singapore (hereinafter referred to as “TAS”), in exercise of its powers under Section 26 of the Telecommunication Authority of Singapore Act 1992 (hereinafter referred to as the “TAS Act”), issued a telecommunication licence to Singapore Telecommunications Limited to, inter alia, establish, install and maintain certain specified and approved telecommunication systems for the purposes of operating and providing Public Cellular Mobile Telecommunications Services.
- (B) On 31 October 1994, with the approval of TAS and subject to the terms and conditions imposed by TAS, Singapore Telecommunications Limited assigned its rights under such licence in relation to the operation and provision of public cellular mobile telecommunication systems and services (the Licence”) to Singapore Telecom MobileLink Pte Ltd (known as Singapore Telecom Mobile Pte Ltd from 18 December 1996) hereinafter referred to as the “Licensee”).
- (C) On 1 December 1999, TAS was re-constituted as the Info-communications Development Authority of Singapore (hereinafter referred to as “IDA”) by the enactment of the Info-communications Development Authority of Singapore Act of 1999. The TAS Act was repealed and the Telecommunications Act of 1999 was enacted (the “Act”). Section 75 of the Act preserves the validity of the Licence and deems the Licence as having been granted by IDA under Section 5 of the Act..

- (D) On 9 June 2000, the IDA, in exercise of its rights under the Licence and its powers under Section 7 of the Act, duly notified the Licensee of modifications to be made to the terms and conditions of the Licence.
- (E) On 1 July 2005, pursuant to IDA's grant to the Licensee of a Wireless Broadband Access (hereinafter referred to as "WBA") Spectrum Right, IDA modified the Licence to include the Licensee's operation of WBA telecommunication systems for the provision of WBA telecommunication services to end-users*.
- (F) The terms and conditions of the Licence as modified by IDA (referred to in Recital (D) and (E) above) are consolidated herein and shall be referred to and taken by all parties concerned as the Licence*.

(* Recital (E) and (F) were amended on 1 July 2005)

1 Period of Licence

- 1.1 The Licence came into force on 1 April 1992 and shall be valid for a period of twenty-five years (25) from 1 April 1992.
- 1.2 The Licence may be further renewed for such period as IDA thinks fit and subject to such terms and conditions as may be specified by IDA under Section 5 of the Act.

2 Payment of Licence Fee

- 2.1 The Licensee shall pay to IDA an annual fee which is 1% of the annual audited gross turnover (AGTO) based on the provision of the services specified in Schedules A and A2 during the Licensee's financial year, subject to a minimum of \$100,000*.
(* Condition 2.1 was amended on 1 July 2005)
- 2.2 For subsequent years, the annual licence fee, based on the last available audited accounts, shall be paid in advance on the first day of the Licensee's financial year, subject to the minimum fee of \$100,000 and subject to adjustment when more recent audited accounts are available*.
- 2.3 In the event of a default by the Licensee in the payment of any fee when due under the Licence, the Licensee shall pay to IDA interest on the amount from time to time outstanding in respect of the overdue sum from the period beginning on its due date and ending on the date of its receipt in full by IDA, which interest shall accrue from day to day and shall be calculated on the basis of the actual number of days elapsed and a 365 day year. The applicable rate of interest shall be the average of the prevailing prime lending rates of the banks and finance companies quoted and published by the Monetary Authority of Singapore*.

2.4 The Licensee shall submit to IDA an audited AGTO statement, not later than 6 months after the end of each financial year*.

2.5 In the event that the Licensee fails to submit its audited AGTO statement within the timeframe stipulated in condition 2.4, the Licensee shall be under a continuing obligation to submit the same immediately notwithstanding any penalties imposed by IDA for breach of condition 2.4 or this condition 2.5*.

(*Conditions 2.2, 2.3 were amended and 2.4, 2.5 were added on 30 July 2005.. Condition 2.4 was further amended on 15 June 2007.)

3 **Licence is not Transferable**

3.1 The Licensee shall not assign, transfer, sublet or otherwise dispose of its rights, duties, liabilities, obligations and privileges under this Licence to any person or persons except with the prior approval of IDA.

3.2 Any such approval shall be given subject to terms and conditions, which IDA at its discretion may impose.

4 **Description of Systems and Services**

4.1 The Licensee shall maintain and operate the systems presently in place and approved by IDA as well as the systems in Schedule A1 (hereinafter referred to as “the Systems”), for the delivery and transmission of the services as described in Schedules A and A2 (hereinafter referred to as “the Services”), subject to the specific terms and conditions set out in Schedule B. The Licensee shall not operate or provide any system or service not described in Schedules A, A1 and A2 except with the prior approval of IDA*.

(* Condition 4.1 was amended on 1 July 2005.)

4.2 Where the Licensee wishes to introduce a new system and/or service or makes changes to any system and/or service, the Licensee shall provide IDA such technical and/or non-technical information as may be required by IDA within such period as may be specified by IDA.

PART II: BASIC OBLIGATIONS OF LICENSEE

5 Service Coverage

- 5.1 The Licensee shall provide coverage for the whole island of Singapore (including MRT underground stations/lines and road tunnels), the offshore islands and the territorial waters up to 15km from the coast line of the island of Singapore. This Condition 5.1 does not apply to any service provided under Schedule A2*.

(*Condition 5.1 was amended on 1 July 2005)

6. Public Emergency Call Services

- 6.1 The Licensee shall ensure that any person through functioning mobile equipment may at any time and without charge, contact the relevant police service (namely 999 or its substitute number), the fire and ambulance services (namely 995 or its substitute number) and any other national emergency services which the Minister for Communications and Information Technology may from time to time designate, for the purpose of notifying them of any emergency.

7. Co-operation with Civil/Public Bodies

- 7.1 The Licensee shall co-operate with the relevant Government ministries, departments, statutory boards or official agencies in all way possible for the provision of national security and emergency services.

PART III: TECHNICAL OBLIGATIONS

8 Use of Telecommunication Equipment in the Systems

- 8.1 Prior to the operation of the systems, the Licensee shall in accordance with Section 9 of the Act, submit for IDA's approval all telecommunication infrastructure, technology and any telecommunication equipment which is part of the Systems or which is to be connected to the systems.
- 8.2 The Licensee shall seek IDA's prior approval from time to time for any other telecommunication equipment to be used in the operation of the systems for which the approval has not been granted under Section 9 of the Act, whether such other equipment is in addition to or intended to replace the existing equipment or part thereof.

9 Operation of Radiocommunication Stations

- 9.1 The Licensee shall apply for all necessary licences under the Radiocommunication Regulations for the operation of any radiocommunication stations comprised in the Systems and shall abide by any conditions imposed thereunder, including the payment of station licence fees and frequency fees for the allocation and management of frequencies by IDA.
- 9.2 Any change to the location, equipment, frequencies, emissions, power, polarisation, aerial characteristics and other technical parameters of any radiocommunication station comprised in the Systems shall be submitted in writing for IDA's prior approval.
- 9.3 The height of the antenna of any radiocommunication station comprised in the Systems shall not exceed 50 metres above mean sea level (AMSL). Where necessary however, IDA may grant conditional approval for the Licensee to exceed the prescribed height level provided that the Licensee shall take all necessary steps, at its own cost, to ensure that its network will not cause interference to or receive interference from other authorised networks.

10 Use of Radio Frequencies

- 10.1 The Licensee shall, in its application to IDA, justify the use of radio frequencies and shall, subject to payment of the required frequency fees, be provided with the necessary frequencies to enable the effective and efficient operation of the systems and the provision of the Services by the Licensee.
- 10.2 The Licensee shall take all necessary steps to ensure that the use of its systems is safe and does not cause interference to other existing radiocommunication networks operating in the same band or in other bands. The Licensee shall also take appropriate measures to ensure that its systems is adequately protected from interference that may be caused by networks operating in the same band or in other bands.

11 Assignment of Telephone Numbers

- 11.1 The Licensee shall comply with IDA's National Numbering Plan and IDA's Framework and Guidelines on the usage, allocation and assignment of numbers. The Licensee shall, in its submission to IDA, justify the use of numbers and shall, subject to payment of the required fees for Golden Numbers, be provided with the necessary numbers to enable the effective and efficient operation of the Systems and provision of Services. The Licensee shall take all necessary steps to ensure that the numbers allocated are efficiently utilised.
- 11.2 Any telephone numbers assigned to the Licensee is the property of IDA and the Licensee shall have no proprietary right to the telephone numbers assigned.
- 11.3 IDA reserves the right to alter and/or reallocate any telephone number(s) given to the Licensee at any time, upon written notice, without being liable for any loss or inconvenience directly or indirectly attributable to the alteration or reallocation of such telephone number(s).

PART IV: ACCESS AND INTERCONNECTION OBLIGATIONS

12 Requirement to Provide Access

- 12.1 The Licensee shall provide to any person licensed by IDA to provide telecommunication services in Singapore, means of access to the Systems.
- 12.2 The Licensee may, with the prior approval of IDA, impose an access charge upon any person licensed by IDA to provide telecommunication services in Singapore through or with the use of the Systems.
- 12.3 The Licensee shall comply with IDA's Interconnection & Access Framework, Arrangements and Requirements, including Codes of Practice, which IDA may from time to time, issue to the Licensee.

13 Connection to Other Systems

- 13.1 The Licensee shall connect to the Systems on request and at appropriate connection points, which it shall provide for this purpose:
- (a) any equipment approved or exempted from approval by IDA for connection to the Systems; and
 - (b) any public or private telecommunication systems approved or licensed by IDA which systems also meet any other requirements, which IDA may from time to time impose.
- 13.2 Notwithstanding Condition 13.1, the Licensee shall cease to connect or refuse to connect to the System any equipment or system that:
- (a) has not been approved, licensed or exempted from approval or licensing by IDA; or

- (b) no longer meets the requirements for approval or licensing by IDA, in respect of which IDA has issued a notice to that effect to the person who has under his control such equipment or system.

13.3 The terms and conditions for the connection of equipment or systems to the Systems of the Licensee shall be determined by agreement between the Licensee and the owner or operator of the equipment or system except in so far as the conditions are prescribed in the Act or in this Licence. In the event that the parties cannot reach an agreement, the matter shall be determined by IDA whose decision shall be final.

14 Arrangements for Connection to Systems

14.1 The Licensee shall not impose technical or other conditions or employ any arrangements for the connection of equipment or systems to the Systems other than those set by IDA. In particular, the Licensee shall not, except where IDA is satisfied that it is reasonable, exercise any Intellectual Property Rights which it owns or is licensed to use in a manner which prevents or inhibits the connection of approved equipment or systems to the Systems.

14.2 In this Condition, 'Intellectual Property Rights' means, without prejudice to its generality, the rights to patents, trade marks, designs, know-how and copyright.

14.3 The Licensee is required to comply with the following technical requirements and safeguards:

- (a) The Licensee shall not manipulate the Calling Line Identity of the original calling party and the original calling party Calling Line Identity shall be passed on in the conveyance of a call accordingly.
- (b) The Licensee shall not, in the handling of outgoing traffic, manipulate the access code dialled by the calling party.

- (c) The A-bit of the Forward Call Indicator of the Initial Access Message on the ITU-T Signalling System Number 7 ISDN User Part signalling should be set to the value “1” to identify an international incoming call for systems inter-working. Where the Licensee operates a system which does not support ITU-T Signalling System Number 7 signalling, then the Licensee shall route such international incoming calls on specified circuits.

(*Condition 14.3 was added on 26 February 2007)

15 Changes to Systems

- 15.1 The Licensee shall give notice in writing to IDA and shall notify all parties affected of any changes it intends to implement in the specification or performance of the Systems which would require changes to any equipment or systems connected to the Systems or which would have the effect of making such connections inoperable. The period of notice given shall be appropriate to the likely impact on the parties affected and on connected equipment or systems and shall be decided in consultation with IDA.

15.2 Where IDA considers that a change in the Systems referred to in Condition 15.1 would cause another person licensed to provide telecommunication services in Singapore to make major changes in its own systems in order to connect its systems to the Systems, and notifies the Licensee thereof, the Licensee shall obtain the prior approval of IDA before implementing such a change.

16 Infrastructure Sharing and Deployment

16.1 The Licensee shall comply with IDA's Framework for Facilities Sharing and Deployment, including Codes of Practice.

16.2 Where IDA considers it necessary for the Licensee to share infrastructure with other telecommunication licensees in designated areas in the national and/or public interest or otherwise, IDA shall inform the licensees accordingly so that licensees can make the necessary arrangements before submitting their infrastructure sharing plans to IDA for approval. The Licensee shall share infrastructure whenever and wherever mandated by IDA in accordance with the Framework for Facilities Sharing and Deployment, including Codes of Practice.

PART V: SERVICE OBLIGATIONS

17 Price Control/Tariffing Arrangements/Quality of Service Standards

- 17.1 IDA reserves the right to establish price control arrangements and Quality of Service Standards for the Services provided by the Licensee with which the Licensee shall comply.
- 17.2 IDA reserves the right to require the Licensee to maintain separate financial data and accounts for the Services and shall submit on request these data and accounts to IDA for inspection.
- 17.3 IDA reserves the right to require the Licensee to file its schemes of service, including non-price terms and conditions for the provisioning of services and price schemes with IDA before commercial launch or announcement of such services.

18 Publication of Charges, Terms and Conditions

- 18.1 The Licensee shall publish information about the Services it provides, covering inter alia, descriptions and pricing of the services available, the terms and conditions thereof, and the provision of fault repair and any other commercial and technical services.

19 Confidentiality of Subscriber Information

- 19.1 The Licensee shall respect and ensure the confidentiality of subscriber information, especially for ex-directory numbers except under the following circumstances:
- (a) where sharing of information with other licensee is necessary to detect, prevent or investigate into fraud;
 - (b) where disclosure is deemed necessary by IDA or the relevant law enforcement or security agencies to carry out their functions or duties.

PART VI: OTHER OBLIGATIONS

20 Codes of Practice

20.1 The Licensee shall comply with the Codes of Practice issued by IDA as well as any additional or supplemental guidelines, which IDA may issue from time to time to the Licensee.

21 Number Portability

21.1 The Licensee shall implement number portability from commencement of service subject to IDA's number portability requirements and charging principles.

21.2 The Licensee shall comply, at its own cost, with any requirements and guidelines established by IDA on number portability to be implemented by the Licensee.

22 Accounting Separation

22.1 The Licensee shall comply with the practices, principles and requirements set out in the Accounting Separation Guidelines established by IDA, and any additional or supplemental guidelines issued by IDA from time to time.

23 Restriction on Undue Preference and Undue Discrimination

23.1 The Licensee shall not show undue preference towards, or exercise undue discrimination against any person or class of persons in, inter alia, the price and performance characteristics of the services provided or the terms and conditions under which the services are provided. In particular, the Licensee shall not give any undue preference to, or receive an unfair advantage from, a business carried on by it or an associated or affiliated company, service or person, if IDA is of the opinion that the Licensee's competitor could be placed at a significant competitive disadvantage or that competition would be prevented or substantially restricted.

24 Restriction Against Anti-Competitive Arrangements

- 24.1 The Licensee shall not enter into any agreement or arrangement with a person running an Authorised Overseas System on terms or conditions which unfairly preclude or restrict, to the detriment of the national and/or public interest, the provision of any international telecommunication system and/or services licensed by IDA.
- 24.2 The Licensee shall comply with IDA's Safeguards Against Unfair Practices/Conduct guidelines and IDA's Fair Practices/Conduct Guidelines for telecommunication service providers and any additional or supplemental guidelines issued by IDA from time to time.

25 Contracts with Third Parties to Operate or Provide Licensed Systems or Services

- 25.1 Where the Licensee intends to enter into any joint venture, association, contract or arrangement with a third party, the effect or purported effect of which would be to permit a person who is not originally a party to this Licence to share in the benefits of, or otherwise gain any rights or privileges under this Licence, or which would otherwise result in a breach or circumvention of Condition 3.1, the Licensee shall seek IDA's approval for the joint venture, association, contract or arrangement in question.
- 25.2 IDA may direct at any time the Licensee to effect any changes it deems necessary in the terms and conditions of the joint venture, association, contract or arrangement referred to above.
- 25.3 If the Licensee fails to effect the necessary changes referred to in Condition 25.2, IDA may direct the Licensee to terminate any such joint venture, association, contract or arrangement.

25.4 Nothing in Condition 25.1 shall be construed as requiring the Licensee to obtain the approval of IDA for the appointment of agents or for the employment of independent contractors or sub-contractors to carry out any works or provide any services which enable the Licensee to discharge its duties and obligations under this Licence provided that the Licensee shall be liable to IDA for any act, omission, default, neglect or otherwise of the agents and independent contractors or sub-contractors in carrying out any such works or providing any such services.

26 Ownership, Shareholding and Management Arrangements

26.1 The Licensee shall seek IDA's written approval at least one (1) month in advance of any change in the appointment of its Chairman, Board of Directors or Chief Executive Officer and shall for this purpose provide IDA with the details of any such change and any further information requested by IDA*.

(* Condition 26 was amended on 4 April 2005.)

27 Direction by IDA

27.1 The Licensee shall strictly and without any undue delay comply with any directions, which IDA may from time to time issue in exercise of its powers, functions or duties under the Act, or in this Licence.

27.2 IDA may, by notice in writing to the Licensee amend, vary or revoke wholly or in part any directions given by it pursuant to Condition 27.1.

27.3 Unless otherwise expressly specified, the Licensee shall safeguard the secrecy of all directions given by IDA. The Licensee shall not during the currency and after the expiry, termination or cancellation of the Licence disclose or permit the disclosure of any of the said directions to any person not authorised to receive the same without the prior written consent of the Chief Executive Officer of IDA. The Licensee shall further take all reasonable precautions in dealing with the said directions so as to prevent any unauthorised person from having access to the same.

28 Dispute Resolution

28.1 In the event that the Licensee fails to reach an agreement with other telecommunication licensees on matters relating to the requirements of this Licence or the Act, the matter shall be determined by IDA whose decision shall be binding on all parties concerned.

28.2 IDA reserves the right to levy a fee for work undertaken in this respect.

29 Provision of Information to IDA

29.1 The Licensee shall provide IDA with any document and information within its knowledge, custody or control, which IDA may, by notice or direction require. The Licensee undertakes to IDA that any such document and information provided to IDA shall be true, accurate and complete.

29.2 For the purposes of ensuring the Licensee's compliance with the conditions of the Licence, IDA may from time to time require the Licensee to arrange at its own expense, for a separate and independent audit of its activities. The Licensee shall, at IDA's request, submit the audited accounts and reports prepared under this Condition 29.2 to IDA for inspection and verification.

29.3 The Licensee shall keep in strict confidence any document and information furnished to or so required by IDA pursuant to Condition 29.1, as well as the fact that IDA has requested for such document and/or information.

29.4 IDA may use and disclose any such document or information provided to IDA pursuant to Condition 29.1 as IDA deems fit. Where IDA proposes to disclose any document or information obtained pursuant to Condition 29.1 and IDA considers that the disclosure would result in the release of information concerning the business, commercial or financial affairs of the Licensee or which disclosure would or could reasonable be expected to adversely affect the Licensee's lawful business, commercial or financial affairs, IDA will give the Licensee a reasonable opportunity to make representations on the proposed

disclosure before IDA makes a final decision on whether to disclose the information.

30 National Emergency and Security

30.1 The Licensee shall, where directed by IDA, participate in any emergency activities or preparations thereof in collaboration with other relevant agencies, organisations and Government ministries and departments, in accordance with the written law in Singapore.

30.2 The Licensee shall, unless expressly notified, keep in strict confidence any information or document pertaining to Condition 30.1 as well as the fact that IDA has requested the Licensee to participate in such emergency activities and preparations.

30.3 IDA, may from time to time, require the Licensee to submit to IDA for approval any changes to any telecommunication system, installation or plant and any service plans, together with such technical and non-technical information as may be required by IDA, at least one month before such change is intended to be implemented.

31 International Obligations

31.1 The Licensee shall exercise its rights and powers and perform its duties and obligations under this Licence in a manner, which is consistent with the Government's obligations under any Convention, Agreement, Arrangement or Treaty to which Singapore is or shall become a party.

31.2 IDA shall notify the Licensee from time to time of any such Convention, Agreement, Arrangement or Treaty to which Condition 31.1 applies for its compliance.

PART VII : SUSPENSION, VARIATION AND TERMINATION

32 Penalty Framework for Breach of Licence Conditions

32.1 Where the Licensee breaches any licence condition, IDA may impose a fine on the Licensee in accordance with Section 8 of the Act.

33 Variation of Terms of Licence

33.1 Pursuant to Section 7(1) of the Act, IDA may vary or amend any of the terms of this Licence by giving the Licensee at least one month's notice in writing.

34 Suspension/Cancellation

34.1 IDA may, in any of the events specified in Section 8 of the Act, by notice in writing given to the Licensee, suspend or cancel the Licence in whole or in part, or impose a fine in such amounts IDA thinks fit.

35 Termination of Licence

35.1 In the event that the Licensee desires to terminate its licence or any of the Services it operates, the Licensee shall seek IDA's approval in writing at least six months in advance.

36 Rights upon Termination, Suspension or Cancellation

36.1 Any termination, suspension or cancellation of the Licence shall be without prejudice to the rights and remedies which may accrue to the Licensee or IDA under the Licence or any written law as at the date of termination except that the Licensee shall not have the right to seek a refund of the licence fee or any other fee paid in advance.

37 Exceptions and Limitations on Obligations

37.1 The Licensee shall not be held to have failed to comply with its obligations in this Licence if and to the extent that IDA is satisfied that it is prevented from complying with those obligations for the following reasons:-

- (a) malfunction or failure of any equipment where IDA determines that reasonable measures were taken beforehand;
- (b) the act or omission of any national authority, local authority or international organisation; or
- (c) any other factor, which, in the opinion of IDA is beyond the Licensee's reasonable control and which notwithstanding the exercise by it of reasonable diligence and foresight, the Licensee was unable to prevent or overcome.

Provided that the Licensee shall use all reasonable endeavours to terminate with all reasonable speed the factor(s) preventing the carrying out of its obligations and shall resume the performance of its obligations as soon as the factor(s) which prevented the performance thereof ceases or abates.

38 Compliance with the Law

38.1 The Licensee shall observe and comply with the Act, the Radiocommunication Regulations, the International Telecommunication Convention and any other treaty or convention to which Singapore is a party.

38.2 Nothing in this Licence shall be taken as discharging the Licensee from its obligations to obtain any other licences, permits or approvals that may be required under any written law in force in Singapore.

39 Governing Law

39.1 This Licence shall be governed by and construed according to the law of Singapore.

40 Service of Notices

40.1 All notices under this Licence shall be in writing and shall be deemed to have been given if sent by hand or pre-paid post or by facsimile to the Licensee's registered address as lodged in the Registry of Companies and Businesses.

41 Severability

41.1 Every condition and part thereof shall be construed as a separate and severable provision so that if any Condition and part thereof is held invalid, unenforceable or illegal for any reason, the remainder of the Licence shall remain in full force in every respect.

**Issued on 1 April 1992
Amended as at 9 June 2000**

Chief Executive Officer

Info-communications Development Authority of Singapore

SCHEDULE OF INTERPRETATION

In this Licence, unless the context otherwise requires:

- (a) Words importing the singular or plural shall be deemed to include the plural or singular respectively;
- (b) The titles to the provisions of this Licence are for convenience of reference only and are not part of this Licence and shall not in any way affect the interpretation thereof;
- (c) Any word or expression used in this Licence shall have the same meaning as it has in the Act;
- (d) Any reference in this Licence to the Act shall include any regulations made thereunder;
- (e) Any reference in this Licence to any regulations made under the Act shall include any regulations made under the Telecommunications Act 1999 until such regulations are revoked or repealed by subsidiary legislation made under the Act;
- (f) Any reference in this Licence to a person shall be deemed to include natural and legal persons;
- (g) Any reference to monetary amounts in this Licence shall be deemed to be denominated in Singapore Dollars; and
- (h) Any reference to any Guidelines, Codes or Framework or other rules or documents promulgated by IDA shall be read as reference to such as may be amended from time to time.

SCHEDULE A

DESCRIPTION OF THE TELECOMMUNICATION SYSTEMS AND SERVICES

[Removed]

SCHEDULE A1

**DESCRIPTION OF WBA TELECOMMUNICATION SYSTEMS TO BE
ESTABLISHED BY SINGAPORE TELECOM MOBILE PTE LTD**

[Removed]

SCHEDULE A2

**DESCRIPTION OF WBA TELECOMMUNICATION SERVICES TO BE
PROVIDED BY SINGAPORE TELECOM MOBILE PTE LTD**

[Removed]

SCHEDULE B
(Where applicable)

**SPECIFIC TERMS AND CONDITIONS FOR
INTERNATIONAL SIMPLE RESALE**

1 Metering

- 1.1 The licensee shall take all reasonable steps to ensure that any metering equipment used in connection with the services operated under the Licence is accurate and reliable.
- 1.2 Under the written request of IDA, the licensee shall conduct tests on metering equipment to assess its accuracy, reliability and conformity to the technical standards, if any, as specified by IDA. The licensee shall submit the test results to IDA within 14 days after the date of the test or such other longer period as IDA may deem fit.

2 Short Access Code

- 2.1 The licensee may apply for 4-digit or 5-digit access codes that allow callers to gain access to the ISR services. The allocation of the access codes will be subject to the availability of such codes and consideration for other usage. The Licensee shall ensure that the access codes are used efficiently and effectively.

3 Quality of Service

- 3.1 The licensee shall comply with the minimum Quality of Services (QoS) standards below for the international voice and/or data services provided:

At least 95% of calls should not have a post dialing delay of more than 25 seconds; and

(a) At least 90% of calls made are able to seize a circuit.

3.2 IDA reserves the right to modify the above standards from time to time, and inform the licensee accordingly for compliance.

4 Service Registration

4.1 The Licensee shall provide some form of service application or registration procedures for signing-up of customers before any service activation to ensure that subscribers are properly signed up for the international call services and that the right parties are being billed (except for pre-paid card services).

5 Call Barring Facilities

5.1 The Licensee shall provide some form of international call barring facilities to any consumer who wish to bar the Licensee's international call services, regardless of whether the consumer is a subscriber of any service provided by the Licensee, to further prevent any unauthorised or fraudulent activation of international call service.

6 Route-By-Route Approval

6.1 The Licensee is required to seek IDA's prior approval on a route-by-route basis for the provision of this service. The Licensee shall not operate the International Simple Resale service between Singapore and any foreign destination unless the legislation and/or policies at that destination permits or does not prohibit the operation of such service.

SCHEDULE B
(Where Applicable)

**SPECIFIC TERMS AND CONDITIONS FOR
RESALE OF LEASED CIRCUIT SERVICES**

1 Declaration of Usage

- 1.1 The Licensee shall ensure that the customers declare, in writing, the usage of the leased circuit and their compliance with all licensing and regulatory conditions and requirements of IDA. The Licensee shall terminate its agreement with the customers if these customers are found to infringe any of the conditions of this Licence, the Act or the regulations made thereunder.

2 Registration of the Customers

- 2.1 The Licensee shall maintain a register containing records of the customers and their particulars which shall be made available for inspection by IDA. The particulars should include the Customer's name, address, Certificate of Incorporation of Business Registration Number and details of the services provided such as international leased circuit speeds and destinations.
- 2.2 The register shall be kept at the Licensee's premises for a period of not less than six (6) months from the date of termination of the Services to the customer.

3 Marketing

- 3.1 The Licensee shall state clearly in all marketing and promotional communications that the Licensee is a leased circuit reseller.

4 Quality of Service

- 4.1 The Licensee shall comply with the Quality of Service standards established by IDA from time to time.

5 Approval by Regulatory Authority Overseas

- 5.1 For the resale of international leased circuit services, the Licensee shall provide documentary proof from either:
- (a) the relevant authorities in the foreign country that resale of leased circuit services between Singapore and the foreign country is permitted and approved; or
 - (b) a licensed operator in the foreign country that the overseas licensed operator is authorised to provide resale of leased circuit services in the foreign country and that the overseas licensed operator would treat all similarly-situated operators licensed in Singapore on a non-exclusive and non-discriminatory basis.

SCHEDULE B
(Where Applicable)

**SPECIFIC TERMS AND CONDITIONS FOR
PUBLIC INTERNET ACCESS SERVICES**

1 Electronic-mail Address Portability

- 1.1 The Licensee shall at its own expense, comply with any guidelines established by IDA on electronic-mail address portability, to be implemented by the Licensee.

2 Content

- 2.1 The Licensee shall comply with any term and condition as may be imposed by the Media Development Authority (“MDA”) for the content that is transmitted through the System.

.

SCHEDULE B
(Where Applicable)

**SPECIFIC TERMS AND CONDITIONS FOR
VIRTUAL PRIVATE NETWORK SERVICES**

1 Technical Compatibility

- 1.1 The Licensee shall comply with any technical specifications prescribed by IDA for the purposes of ensuring technical compatibility, avoiding technical harm to the telecommunication network of any licensed Facilities-Based Operator or preventing safety hazards to the personnel in the connection of telecommunication equipment and/or systems to the network.

2 Metering

- 2.1 The Licensee shall take all reasonable steps to ensure that any metering equipment used in connection with the services operated under the Licence is accurate and reliable.
- 2.2 Under the written request of IDA, the Licensee shall conduct tests on metering equipment to assess its accuracy, reliability and conformity to the technical standards, if any, as specified by IDA. The Licensee shall submit the test results to IDA within 14 days after the date of the test or such other longer period as IDA may deem fit.

SCHEDULE B
(Where Applicable)

**SPECIFIC TERMS AND CONDITIONS FOR
MANAGED DATA NETWORK SERVICES**

1 Technical Compatibility

- 1.1 The Licensee shall comply with any technical specifications prescribed by IDA for the purposes of ensuring technical compatibility, avoiding technical harm to the telecommunication network and/or systems of FBOs or preventing safety hazards to personnel in the connection of telecommunication equipment and/or systems to the network.

2 Metering

- 2.1 The Licensee shall take all reasonable steps to ensure that any metering equipment used in connection with the services operated under the Licence is accurate and reliable.
- 2.2 Under the written request of IDA, the Licensee shall conduct tests on metering equipment to assess its accuracy, reliability and conformity to the technical standards, if any, as specified by IDA. The Licensee shall submit the test results to IDA within 14 days after the date of the test or such other longer period as IDA may deem fit.

SCHEDULE B
(Where Applicable)

**SPECIFIC TERMS AND CONDITIONS FOR
STORE-AND-FORWARD VALUE-ADDED NETWORK SERVICES**

1 Establishment of Service Nodes

- 1.1 The Licensee is required to establish a service node in Singapore and make available the information on the routing table, subscriber database, call traffic statistics and/or other records maintained by the service node for inspection whenever requested. The Licensee without a service node in Singapore may provide Store & Forward Value-Added Network services through a local access node which is connected to the public switched telecommunication networks provided by a Facilities-Based Operator licensed by IDA.

2 Transmission of Value-Added Network traffic over the Internet

- 2.1 The Licensee may choose to carry its Value-Added Network traffic over dedicated leased circuits or switched/permanent virtual circuits such as frame relay circuits. The Licensee may also choose to transmit its VAN traffic through virtual private network links over the Internet.

SCHEDULE B
(Where Applicable)

**SPECIFIC TERMS AND CONDITIONS FOR
LIVE AUDIOTEX SERVICES**

1 Transmission of the Live Audiotex Services

- 1.1 The Licensee shall comply with the following transmission standards in the delivery of the announcement or programme:
- (a) There shall be no delay in starting the announcement or programme when a call is connected;
 - (b) Each of the live Audiotex services shall be assigned a different telephone number;
 - (c) There shall be no interruption during the announcement or programme; and
 - (d) Such other standards as may be specified by IDA from time to time.
- 1.2 The Licensee shall ensure that the number of attempted calls at any time does not significantly exceed the number of call-in lines for the service and shall subscribe for additional lines from licensed Facilities-Based Operators to adequately handle calls for the Live Audiotex services and to prevent congestion to other users of the public telecommunication network.
- 1.3 The Licensee shall not, except with the prior arrangement with the licensed Facilities-Based Operator, organise any mass calling event which will generate a high influx of calls to the Live Audiotex services.
- 1.4 The Licensee shall not enable callers to communicate amongst themselves directly in real-time.
- 1.5 The Licensee shall ensure that the Value-Added Network and/or the live Audiotex services provided through it are not used for any unlawful purpose.

2 Content and Accuracy of Announcements/Programmes

2.1 The Licensee shall be solely responsible for the content and its accuracy and shall obtain all necessary approvals from the relevant authorities in Singapore.

2.2 The Licensee shall indemnify and keep indemnified at all times IDA against all claims for libel, slander, infringement of Intellectual Property rights or any other liability whatsoever arising from or in connection with the information transmitted or received through the Value-Added Network.

3 Announcement of Call Charges

3.1 The Licensee shall ensure that his current call charges are published in all advertisements for the live Audiotex services.

3.2 The Licensee shall, in addition, announce the current call charges for the Live Audiotex services at the beginning of the call. The Licensee shall provide a grace period during which calls are not charged for:

- (a) the first 6 seconds of a call where the charge announcement lasts 4 seconds; or
- (b) the first 12 seconds of a call where the charge announcement lasts 10 seconds.

SCHEDULE B

SPECIFIC TERMS AND CONDITIONS FOR PRE-PAID PUBLIC CELLULAR MOBILE TELECOMMUNICATION SERVICE

1 Definition of Pre-paid Public Cellular Mobile Telephone Service

- 1.1 In this Schedule, “Pre-paid PCMT Service” refers to a Public Cellular Mobile Telephone Service provided by the Licensee in Singapore which involves the collection of advance payments from subscribers prior to, upon or after the supply of a Subscriber Information Module (“SIM”) card or other access device/code.

2 Registration of Subscribers

- 2.1 The Licensee shall register subscribers of its Pre-paid PCMT Service via the prescribed electronic registration system in accordance with Condition 2.2 of this Schedule.
- 2.2 The Licensee shall record the following particulars of its Pre-paid PCMT Service subscribers when registering them and shall maintain such records in accordance with Condition 2.5 of this Schedule:
- (a) Name, address and, as applicable, National Registration Identity Card (“NRIC”) or other identity card number issued under the laws of Singapore (for Singaporeans/Permanent Residents), passport number (for foreigners), work permit number (for foreigner workers) or business registration number (for corporate account holders purchasing Pre-paid PCMT Service for corporate usage) of the subscriber (or, where the subscriber is not located in Singapore, the applicable identification details obtained through appropriate documents that are recognised by the authorised establishments in the country of purchase shall be used instead);

(b) Mobile cellular telephone number assigned to the subscriber; and

(c) Date of activation of the subscriber's account.

The records in the electronic registration system shall be made available or inspection by authorised Singapore government agencies. In the event that the prescribed electronic registration system is unavailable due to technical failure, the Licensee shall record the particulars stipulated in sub-paragraphs (a) to (c) in the prescribed forms and transfer them into the prescribed electronic registration system within 3 working days from the date the system becomes available again.

2.3 IDA reserves the right to require the Licensee to record any other details of its subscribers as necessary through the prescribed electronic registration system.

2.4 Before recording the particulars referred to in Condition 2.2 of this Schedule, the Licensee shall:

(a) where the subscriber is in Singapore, require the production of one of the following for verification

- (i) the subscriber's identify card issued under the National Registration Act (Cap. 201), Singapore Armed Forces Act (Cap. 295), Police Force Act 2004 (Act 24 of 2004) or the Civil Defence Act (Cap. 42);
- (ii) the subscriber's passport; or
- (iii) the subscriber's work permit; and

(b) where the subscriber is not in Singapore, the Licensee shall require the production of appropriate documents that are recognised by the authorised establishments in the country of purchase.

2.5 The records in the prescribed electronic registration system shall be maintained for a period of not less than 12 calendar months from the date of termination of the Pre-paid PCMT Service to the subscriber.

- 2.6 The Licensee shall only sell Pre-paid PCMT Service to subscribers who are 15 years of age or older.
- 2.7 The Licensee shall not sell more than the prescribed limit of its Pre-paid PCMT Service to a subscriber.
- 2.8 The Licensee shall maintain Call Detail Records (“CDRs”) of all calls made and received through the Licensee’s Pre-paid PCMT Service which are operated and/or provided in Singapore.
- 2.9 All CDRs shall be kept by the Licensee in Singapore for a period of not less than 12 calendar months.

3 Registration of Retailers

- 3.1 The Licensee shall maintain a register containing records of its Pre-paid PCMT Service retailers and their particulars which shall be made available for inspection by authorised Singapore government agencies. The records shall contain the following particulars of the retailer:
 - (a) Name, business address, and, as applicable, NRIC number or passport number or business registration number of the retailer in Singapore (or, where the retailer is not based in Singapore, the applicable identification details obtained through appropriate documents that are recognised by the authorised establishments in the country of origin, shall be used instead);
 - (b) Contact telephone number(s) of the retailer; and
 - (c) Pre-paid PCMT Service number accounts allocated by the Licensee to the retailer for sale.
- 3.2 The Licensee shall ensure that retailers in Singapore selling its Pre-paid PCMT Service obtain the information set out in Conditions 2.2, 2.3, 2.6 and 2.7 of this

Inserted on 1 November 2005

Schedule before sales and submit such information through the prescribed electronic registration system upon verification of documents as set out in Condition 2.4 of this Schedule. For in-flight or overseas sales of the Licensee's Pre-paid PCMT Service, the Licensee shall ensure that its retailers forward the subscribers' information set out in Conditions 2.2 and 2.3 of this Schedule to the Licensee within 7 working days from the date of purchase of the Pre-paid PCMT Service and the Licensee shall submit the same upon receipt through the prescribed electronic registration system.

- 3.3 IDA reserves the right to require the Licensee to record any other details as necessary in its register of retailers.
- 3.4 The records in the register shall be kept at the Licensee's premises for a period of not less than 12 calendar months from the date on which the retailer ceases to sell the Pre-paid PCMT Service of the Licensee.

4 Termination of Service

- 4.1 In the event that the Licensee fails to comply with Conditions 2.1, 2.6 or 2.7 of this Schedule, without prejudice to any penalty which may be imposed on the Licensee for failing to comply with any Condition of this Schedule, the Licensee shall terminate the Pre-paid PCMT Service of a subscriber upon 14 days of the sale of the Pre-paid PCMT Service to that subscriber and after giving reasonable notice to the subscriber via Short Message Service ("SMS") or other suitable means.

5 Technical Requirements

- 5.1 The Licensee shall comply with the following technical requirements for all calls made to public emergency services via its Pre-paid PCMT Service:
 - (a) The Licensee shall pass Calling Line Identity ("CLI") for all such calls;

- (b) The Licensee shall not manipulate the CLI of the original calling party and the original calling party CLI shall be passed on in the conveyance of such calls;
- (c) The Licensee shall not, in the handling of outgoing traffic, manipulate the access code dialled by the calling party; and
- (d) The A-bit of the Forward Call Indicator (“FCI”) of the Initial Access Message (“IAM”) on the ITU-T Signalling System Number 7 ISDN User Part (“ISUP”) signalling should be set to the value “1” to identify an international incoming call for systems inter-working. Where the Licensee operates a system which does not support ITU-T Signalling System Number 7 signalling, then the Licensee shall route such international incoming calls on specified circuits/trunks.

SCHEDULE B

SPECIFIC TERMS AND CONDITIONS FOR IP TELEPHONY SERVICES

1 Scope of Services

- 1.1 The Licence enables the Licensee to provide IP Telephony services using E.164 telephone numbers¹ for such services and assigning such numbers to the Licensee's customer (referred to in this Schedule as an "IP telephony number"). Such services allow customers to make and receive voice, data and/or video calls using the same telephone number from any domestic or overseas location where broadband Internet access is available.

2 Public Emergency Call Services

- 2.1 The Licensee shall disclose in advance to its customers whether the Services it provides may be used to contact the police emergency service (namely 999 or its substitute number), the fire and ambulance services (namely 995 or its substitute number) and any other national emergency services which the Minister may from time to time designate, for the purpose of notifying such services of any emergency.
- 2.2 The Licensee shall not charge its customers for any use of the Services to contact the emergency services referred to in Condition 2.1 of this Schedule.
- 2.3 IDA reserves the right to require the Licensee to comply with additional safety and security safeguards to enhance security measures for public and national safety.

¹ An International Telecommunications Union Telecommunication Standardization Sector ("ITU-T") standard network addressing format for telephone numbers. The E.164 addresses are 15 decimal digits long and include a country code, area or city code, and a local number.

3 Registration of Subscribers

3.1 The Licensee shall maintain a register containing records of its subscribers and their particulars which shall be made available for inspection by authorised Singapore government agencies. The records shall contain the following particulars of the subscribers:

(d) Name, address and, as applicable, NRIC number, passport number or business registration number of the subscriber (or, where the subscriber is not located in Singapore, the applicable identification details obtained through appropriate documents that are recognised by the authorised establishments in the country of purchase, shall be used instead.);

(e) IP telephony number assigned to the subscriber;

(f) Date of activation of the subscriber's account;

(g) Internet Service Provider account used by the subscriber to access the Licensee's IP Telephony Service where applicable; and

(h) Media Access Control ("MAC") / Internet Protocol ("IP") address where applicable.

3.2 IDA reserves the right to require the Licensee to record any other details as necessary in its register of subscribers.

3.3 Before recording the particulars referred to in Condition 3.1 of this Schedule, the Licensee shall:

(a) where the subscriber is in Singapore, require the production of the subscriber's identify card issued under the National Registration Act (Cap. 201), passport or Employment Pass and make and keep a photocopy of such evidence of identity; or

- (b) where the subscriber is not in Singapore, the Licensee shall use its best efforts to verify the identity of the subscriber through appropriate documents that are recognised by the authorised establishments in the country of purchase.
- 3.4 The records in the register shall be kept at the Licensee's premises for a period of not less than 6 calendar months from the date of termination of the Services to the subscriber.
- 3.5 The Licensee shall maintain Call Detail Records ("CDRs") of all calls made and received through the Licensee's IP Telephony Services which are operated and/or provided in Singapore.
- 3.6 All CDRs shall be kept by the Licensee in Singapore for a period of not less than 12 calendar months.

4 Registration of Retailers

- 4.1 The Licensee shall maintain a register containing records of its retailers and their particulars which shall be made available for inspection by authorised Singapore government agencies. The records shall contain the following particulars of the retailer:
 - (c) Name, business address and, as applicable, NRIC number, passport number or business registration number of the retailer in Singapore (or, where the retailer is not based in Singapore, the applicable identification details obtained through appropriate documents that are recognised by the authorised establishments in the country of origin, shall be used instead.);
 - (d) Contact telephone number(s) of the retailer; and
 - (c) IP telephony number accounts allocated by the Licensee to the retailer for sale.

- 4.2 The Licensee shall ensure that retailers selling its Services obtain the information set out in Conditions 3.1, 3.2 and 3.3 of this Schedule upon the registration of a subscriber and forward such information to the Licensee within 2 days of the activation of the subscriber's account.
- 4.3 IDA reserves the right to require the Licensee to record any other details as necessary in its register of retailers.
- 4.4 The records in the register shall be kept at the Licensee's premises for a period of not less than 6 calendar months from the date on which the retailer ceases to sell the Services of the Licensee.

5 Additional Conditions for Provision of IP Telephony Services Utilising Level "6" Telephone Numbers issued by IDA

- 5.1 Where the Licensee provides any of the Services utilizing a level "6" telephone number, he shall comply with Conditions 5.2 to 5.5 in respect of such services (hereinafter referred to as "Level "6" Services"). For the purposes of Condition 5, "Fixed Network Telecommunication Services" means fixed line basic telephony services associated with number level "6".
- 5.2 The Licensee shall ensure that subscribers of its Level "6" Services must be able to receive and make voice calls from/to subscribers on any public switched telecommunication network, public mobile network or public digital voice network in Singapore.
- 5.3 The Licensee shall ensure that:
- (a) any person through customer premises equipment that enable the use of its Level "6" Services; and
 - (b) any person through its public payphones that enables the use of its Level "6" Services may at any time and without charge, contact the relevant police emergency service (namely 999 or its substitute number), the fire and ambulance services (namely 995 or its substitute number and any other national emergency services which the Minister may from time to time designate to be provided by

operators of Fixed Network Telecommunication Services, for the purpose of notifying such services of any emergency.

5.4 The Licensee shall ensure that its Level “6” Services comply with the quality of service standards as may be established by IDA from time to time for Fixed Network Telecommunication Services.

5.5 The Licensee shall ensure that its Level “6” Services are only provided to domestic customers (within Singapore) with a Singapore registered and billing address.

(*Condition 5 was amended on 16 May 2007.)

6 Technical Requirements for the provision of access to Emergency Services

6.1 The Licensee is also required to comply with the following technical requirements for all calls made to public emergency services if it provides its subscribers access to public emergency services:

- (a) The Licensee shall pass Calling Line Identity (“CLI”) for all calls;
- (b) Licensees shall not manipulate the CLI of the original calling party and the original calling party CLI shall be passed on in the conveyance of a call accordingly;
- (c) Licensees shall not, in the handling of outgoing traffic, manipulate the access code dialled by the calling party; and
- (d) The A-bit of the Forward Call Indicator (“FCI”) of the Initial Access Message (“IAM”) on the ITU-T Signalling System Number 7 ISDN User Part (“ISUP”) signalling should be set to the value “1” to identify an international incoming call for systems inter-working. Where the Licensee operates a system which does not support ITU-T Signalling System Number 7 signalling, then the Licensee shall route such international incoming calls on specified circuits/trunks.
