1. Grant of WBA Spectrum Right

- 1.1 On 1 July 2005, the Info-communications Development Authority of Singapore (hereinafter referred to as "IDA"), in exercise of the powers conferred on it under Regulation 6 of the Telecommunications (Radio-communication) Regulations made pursuant to the Telecommunications Act (Cap. 323) (hereinafter referred to as "the Act") granted Pacific Internet Corporation Pte Ltd (hereinafter referred to as "the First Grantee"), subject to the conditions herein, the right to use the radio frequency spectrum which has been allocated to the First Grantee by IDA and which is more particularly described in Schedule A (hereinafter referred to as "the Assigned Radio Frequency Spectrum") for the purposes of operating Wireless Broadband Access telecommunications systems (hereinafter referred to as "the Systems") for the provision of Wireless Broadband Access telecommunication services to end-users as specified in the Facilities-Based Operator's Licence dated 1 April 2000 and modified and transferred on 1 January 2004, granted by IDA to the First Grantee pursuant to Section 5 of the Act (hereinafter referred to as the "WBA Spectrum Right").
- 1.2 On 17 February 2009, the First Grantee and Packet One International Pte Ltd submitted a joint application to IDA for IDA's approval for a transfer of the WBA Spectrum Right from the First Grantee to Packet One (S) Pte Ltd (hereinafter referred to as "the Grantee"), a new entity to be incorporated in Singapore.
- 1.3 IDA approved the transfer of the WBA Spectrum Right from the First Grantee to the Grantee subject to the terms and conditions and modifications to the WBA Spectrum Right as set out in IDA's letters of 27 March 2009 and 25 September 2009 to the First Grantee and the Grantee. On 22 October 2009, the First Grantee executed an agreement to transfer, inter alia, the WBA Spectrum Right to the Grantee.
- 1.4 The Grantee acknowledges that this WBA Spectrum Right was granted to the First Grantee on the basis of allocation specified in the procedures and conditions of participation issued by the IDA pursuant to Regulation 7 of the Telecommunications (Radio-communication) Regulations, and as amended

or varied by IDA from time to time (hereinafter referred to as the "Auction Rules"). The Grantee hereby represents and warrants that the First Grantee has complied with the Auction Rules and has not been involved in any act or omission of any act, constituting a breach of the Auction Rules, and has met and satisfied all requirements as IDA may determine pursuant to Regulation 8 of the Telecommunications (Radio-communication) Regulations.

1.5 The Grantee acknowledges and agrees that in the event IDA determines that:

- (a) the Grantee has acted in breach of, or omitted to act in compliance with the Telecommunications (Radio-communication) Regulations, the Act, or the conditions of this WBA Spectrum Right;
- (b) the grant of the WBA Spectrum Right was obtained by fraud or misrepresentation; or
- (c) the Grantee has used the Assigned Radio Frequency Spectrum for any purpose other than to operate the Systems for the provision of Wireless Broadband Access telecommunication services to end-users (as specified in the Grantee's Facilities-Based Operator's Licence obtained on 18 November 2009),

IDA shall be entitled to cancel or suspend this WBA Spectrum Right or any part thereof, or impose a financial penalty in accordance with Condition 16 of this WBA Spectrum Right, or resume this WBA Spectrum Right or any part thereof in accordance with Condition 19 of this WBA Spectrum Right.

2. Duration of WBA Spectrum Right

2.1 This WBA Spectrum Right shall come into force on 1 July 2005 ("date of grant"), and shall be valid until 30 June 2015 unless suspended or

cancelled by IDA in accordance with Condition 16 or terminated by the Grantee in accordance with Condition 15.

- 2.2 This WBA Spectrum Right may be extended or further renewed for such period as IDA thinks fit and subject to such terms and conditions as may be specified by IDA in its absolute discretion.

3. Geographic Area

- 3.1 The geographic area in which the Grantee is permitted to use the Assigned Radio Frequency Spectrum for the purposes of operating the Systems for the provision of Wireless Broadband Access telecommunication services to end-users is for the whole island of Singapore, the offshore islands and the territorial waters up to 15km from the coastline of the island of Singapore.

4. Payment for Grant of WBA Spectrum Right

- 4.1 The Grantee shall pay to IDA the amounts specified in Schedule B of this WBA Spectrum Right by such mode or modes of payment as IDA may determine, without set-off or counter-claim, on the date specified therein, failing which IDA shall be entitled to cancel or suspend this WBA Spectrum Right or part thereof in accordance with Condition 16.
- 4.2 In the event of a default by the Grantee in the payment of any fee when due under this WBA Spectrum Right, the Grantee shall pay to IDA interest on the amount from time to time outstanding in respect of the overdue sum from the period beginning on its due date and ending on the date of its receipt in full by IDA, which interest shall accrue from day to day and shall be calculated on the basis of the actual number of days elapsed and a 365-day year. The applicable rate of interest shall be the average of the prevailing prime lending rates of the banks and finance companies quoted and published by the Monetary Authority of Singapore.

PART II: WBA SPECTRUM RIGHT REQUIREMENTS

5. Additional licences required

5.1 The Grantee shall not use the Assigned Radio Frequency Spectrum for the purposes of operating the Systems for the provision of Wireless Broadband Access telecommunication services to end-users unless the Grantee holds:-

7. International Obligations

7.1 The Grantee shall exercise its rights and powers and perform its duties and obligations under this WBA Spectrum Right in a manner, which is consistent with the Government of Singapore's obligations under any relevant convention, agreement, arrangement or treaty to which Singapore is a party.

7.2 IDA shall notify the Grantee from time to time of any such convention, agreement, arrangement or treaty to which Condition 7.1 applies for its compliance.

The Grantee shall neither during the currency nor after the expiry, termination, suspension or cancellation of this WBA Spectrum Right disclose, or aid or permit the disclosure of any of the said directions to any person not authorised to receive the same without the prior written consent of the Chief Executive Officer of IDA. The Grantee shall further take all reasonable precautions in dealing with the said directions so as to prevent any unauthorised person from having access to the same.

9. Provision of Information to IDA

9.1 The Grantee shall provide IDA with any documents or information within its knowledge, custody or control that IDA may by notice or direction require for the exercise of its powers, functions and duties under the Act, the IDA Act, the Telecommunications (Radio-communication) Regulations, or in this WBA Spectrum Right.

9.2 In order to monitor the Grantee's compliance with the conditions of this WBA Spectrum Right, IDA may also direct the Grantee to arrange at its own cost for a separate and independent audit of its activities. The Grantee shall, at IDA's request, submit the audited accounts and reports prepared under this Condition 9 to IDA for its inspection.

9.3 The Grantee shall, when expressly notified, keep in strict confidence any documents or information so required by IDA pursuant to Condition 9.1 as well as the fact that IDA has requested for such documents or information.

9.4 Subject to Condition 9.5, IDA may use and disclose the documents and information required by IDA pursuant to Condition 9.1 to such persons as IDA deems fit.

9.5 Where IDA proposes to disclose the documents and information obtained pursuant to Condition 9.1 and IDA considers that the disclosure would result in the release of information concerning the business or commercial

or financial affairs of the Grantee, which disclosure would or could reasonably be expected to adversely affect the Grantee's lawful business or commercial or financial affairs, IDA will give the Grantee a reasonable opportunity to make representations on the proposed disclosure before IDA makes a final decision whether to disclose the information.

10. Ownership, Shareholding and Management Arrangements

10.1 The Grantee shall obtain IDA's approval for the appointment of its Chairman, Board of Directors and Chief Executive Officer and shall provide IDA with details of its ownership, shareholding and management arrangements.

The Grantee shall also take all appropriate measures to ensure that its Systems and the radio-communication stations and equipment comprised therein are adequately protected from interference that may be caused by radio-communication stations and networks operating in the same area or radio frequency band or in other areas or radio frequency bands.

11.2 The Grantee shall co-operate with the IDA for the purposes of assisting IDA in co-ordinating and managing the use of radio frequencies in relation to neighbouring countries, including but not limited to the provision of

12.3 The height of the transmitter antenna of a radio-communication station comprised in the Systems shall not exceed 50 metres above mean sea level (AMSL). Where justified, IDA may grant conditional approval for the Grantee to exceed the prescribed height provided that the Grantee shall take all necessary steps at its own cost, to ensure that the Systems will not cause interference to or receive interference from other telecommunication systems, operating within or outside of Singapore.

13.4 The Grantee shall, and shall procure that other party to the assignment, transfer, trade, deal or disposal, give to IDA such information about the assignment, transfer, trade, deal or disposal under Condition 13.1 as IDA requires for the purpose of giving its approval (if any) under Condition 13.1(a).

14. Spectrum Sharing

14.1 The Grantee shall not authorise any person or persons (the "Authorised Person") to operate a radio-communication station and/or network within the Assigned Radio Frequency Spectrum except in accordance with the Act, the IDA Act, the Telecommunications (Radio-communication)

Regulations, and the rules and procedures relating to spectrum sharing published by IDA from time to time.

- 14.2 The Grantee will at all times remain liable for the acts, omissions, defaults and neglects of the Authorised Person as if they were the acts, omissions, defaults and neglects of the Grantee.

PART V: TERMINATION, SUSPENSION, CANCELLATION, VARIATION AND RESUMPTION

15. Termination of WBA Spectrum Right

15.1 In the event that the Grantee desires to terminate this WBA Spectrum Right, the Grantee must obtain IDA's approval in writing at least 6 months in advance.

15.2 No termination of this WBA Spectrum Right shall take effect until IDA's approval in writing is obtained under Condition 15.1.

17.1 Any termination, suspension or cancellation of this WBA Spectrum Right shall be without prejudice to the rights and remedies which may accrue to the Grantee or IDA under this WBA Spectrum Right or any written law as at the date of termination, suspension or cancellation, except that the Grantee shall not have the right to seek compensation or refund of the WBA Spectrum Right fee paid under Condition 4.1 or any other fee paid in advance, whether in whole or in part.

18. Variation of WBA Spectrum Right

18.1 IDA may vary the conditions of this WBA Spectrum Right in accordance with the Telecommunications (Radio-communication) Regulations.

19. Resumption of WBA Spectrum Right

19.1 IDA may, in accordance with Regulations 17 and 18 of the Telecommunications (Radio-communication) Regulations, resume this WBA Spectrum Right in whole or in part.

20. Exceptions and Limitations on Obligations

20.1 The Grantee shall not be held to have failed to comply with its obligations in this WBA Spectrum Right if and to the extent that IDA is satisfied that it is prevented from complying with those obligations for the following reasons:-

- (a) malfunction or failure of any equipment where IDA determines that reasonable measures were taken beforehand to prevent such malfunction or failure;
- (b) the act or omission of any national authority, local authority or international organisation; or
- (c) any other factor, which, in the opinion of IDA is beyond the Grantee's reasonable control and which notwithstanding the exercise by it of reasonable diligence and foresight, the Grantee was unable to prevent or overcome,

Provided always that the Grantee shall use all reasonable endeavours to resolve with all reasonable speed the factor(s) preventing compliance of its obligations and shall resume complying with its obligations as soon as the factor(s) which prevented such compliance thereof is resolved.
