

CAAS PROFILE

- **The Civil Aviation Authority of Singapore (CAAS) is a statutory board under the Ministry of Transport.**
- **We are responsible for matters related to civil aviation.**
- **Changi Airport is the gateway for almost everyone flying into or out of Singapore**

CAAS STATISTICS AND CFC ROLE

- **Changi Airport handled over 28 million passengers in 2002.**
- **For the CFC, CAAS will:**
 - Facilitate by providing the necessary airport access for awarded consortia, as well as provide non-sensitive information like flight information data, airport tenants' contacts and airport layout.
 - Participate as a potential user of applications.

APPLICATIONS

- **CAAS is looking for innovative applications in:**
 - Retail and entertainment
 - Airport operations
 - Flight information distribution
 - Interactive content system
